BACKGROUND INFORMATION:

The Trustees must annually approve the start and stop times to meet state law requirements.

The instructional minutes per year required by law for schools are: 36,000 minutes for kindergarten, 50,400 minutes for grades one through three, 54,000 minutes for grades four through eight, and 64,800 minutes for grades nine through twelve. The instructional minutes provided by the Folsom Cordova Unified School District schools are approximately 36,180 for kindergarten; 54,042 minutes for grades one and two, inclusive of early/late sessions*; 54,042 minutes for elementary grades three through six; 61,765 for middle schools; and 65,408 for comprehensive high schools. Continuation high schools are required to attend 180 minutes per day or a minimum of 900 minutes per week. Community day school students must receive 360 minutes of instruction per day.

*Early/late schedule minutes include total instructional minutes from the beginning of the early schedule to the end of the late schedule as specified in the Education Code, Section 46205.

Beginning and ending times at the elementary schools vary slightly due to bus transportation, recesses, and length of the lunch period. Kindergarten sessions are primarily set on an a.m./p.m. schedule. Kindergarten slip schedules may include lunch.

The proposed 2009-2010 start and stop schedules are included.

FISCAL IMPACT:

None.

RECOMMENDATION:

Approve the 2009-2010 elementary and secondary instructional day schedules.
