Information

BACKGROUND INFORMATION:

At the June 9, 2005, Board meeting, trustees approved changing the composition of the Rancho Cordova Citizens Oversight Committee. Due to the difficulty in filling and maintaining the faith-based member, the approval changed the faith-based member to a member-at-large.

An advertisement for the vacancy was placed in *The Grapevine Independent* to print on June 23 and July 1. The deadline to submit applications was Tuesday, July 5.

~~Because the deadline for application is after agenda publication, staff will have a recommendation at the Board meeting.~~

Applications were received from Roger Benton, Deane Burk, Peter Maurin, and Connie Johnson. Each application was reviewed.

FISCAL IMPACT:

None

RECOMMENDATION:

The Board of Education appoint Roger Benton as Member-at-Large of the Rancho Cordova Citizens Oversight Committee, Measure B.
