Discussion

**BACKGROUND INFORMATION:**

Bids were opened on September 20, 2005, for the first phase of buildings at Vista del Lago High School. Deputy Superintendent/CFO Deborah Bettencourt, Director of Facilities Development Matt Washburn; Rainforth-Grau Architects; and Roebbelen Construction Management, have analyzed the bids.

Staff recommends awarding the bids for the following bid divisions:

<b>Bid Division</b>	<b>Contractor</b>
Concrete	Roebbelen Contracting
Masonry	Townsend & Schmidt
Roofing	Kodiak Roofing
Drywall	WF Hayward Co.
Ceramic Tile	Fischer Tile & Marble
Painting	Bay View Painting
Acoustical	Performance Contracting
Flooring	Spectra Contract Flooring
Food Service	Kamran & Co.
Plumbing	Luppen & Hawley
HVAC	Brice Mechanical
Electrical	Rex Moore Electrical
Door Frames & Hardware	Roebbelen Contracting
Casework	Fremont Millwork
Wood Flooring	European Hardwood Flooring
Fire Protection	Cosco Fire Protection

One metal roofing bid was received therefore, staff recommends negotiating with the contractor on the price of the metal roofing bid since the contractor is also the low bidder on the roofing bid division. Due to overlapping work between the metal roofing trade and the miscellaneous trades package, staff recommends delaying the award of the miscellaneous trades package and the selecting or rejecting of Additive Alternate 2 (aluminum panels) pending the outcome of the negotiations with the metal roofing trade.

**FISCAL IMPACT:**

The estimated budget for the first phase of buildings is \$54,702,227. Funding will be from Measure C, state bond funds, and development impact fees. At this time, we are 13% over budget. Staff will ask contractors to value engineer their portion of the work.

**RECOMMENDATION:**

The Board of Education award the bids per staff recommendation; authorize staff to negotiate with the metal roofing bidder and award or reject the bid subject to the result of the negotiations; authorize staff to award the miscellaneous trades package and select or reject Additive Alternate 2 subject to the outcome of the metal roofing negotiations; and authorize staff to assign the contracts to Roebbelen Construction Management Services, Inc., as the construction manager at-risk.

Roebbelen Contracting was the low bid for the concrete, door frames & hardware, and miscellaneous trade packages, so the District will hold the contracts for that portion of the work.
