BACKGROUND INFORMATION:

In March 2005, the District contracted with Gary Douppnik Manufacturing, Inc., for the purchase of two Division of the State Architect (DSA) approved relocatable classrooms at ~~Kinney High~~ Sutter Middle School. The District has taken advantage of the piggy-backable bid from Western Placer Unified School District.

The contract included the purchase price of the relocatable buildings; delivery and installation; perimeter skirting of building, ramp and landing; casework with five sinks; Badley eyewash; Insta-Heat chromomite; sheet vinyl and underlayment; custom landing and ramps; Division of State Architect plans and calculations; sales tax; and back boxes and conduit for the fire alarm system to be installed by the District.

Gary Douppnik Manufacturing, Inc., has met all requirements set forth at the time the contract was signed, and all work has been completed to the satisfaction of Director of Development Matt Washburn, Rainforth Grau Architects, and Inspector John Hanna.

RECOMMENDATION:

The Board of Education approve the Notice of Completion to Gary Douppnik Manufacturing, Inc., for the purchase and installation of two relocatable science classrooms at Sutter Middle School.
