Discussion/Action

BACKGROUND INFORMATION:

In January and February 2006, District staff advertised for proposals for the telephone communications infrastructure projects, to be completed under E-Rate, at Cordova Lane Elementary, Williamson Elementary, and Mitchell Middle School. The work consists of the installation of a raceway for future telecommunications from the SBC pole to the MPOE located on the site.

Proposals for the referenced work will be were opened on February 14, 2006. Results will be available at the board meeting on February 16, 2006. The District received quotes from only one contractor, Garrahan Electric, Inc.:

Cordova Lane Elementary	\$22,218
Williamson Elementary	26,330
Mitchell Middle	18,909

The District has applied for 80% funding for this E-Rate funding application.

FISCAL IMPACT:

\$68,387 to be funded from Measure B. The District has applied for 80% funding for this E-Rate funding application.

RECOMMENDATION:

The Board of Education approve the contracts for the telecommunications infrastructure at Cordova Lane Elementary, Williamson Elementary, and Mitchell Middle School.
