BACKGROUND INFORMATION:

The Trustees must approve the start and stop times annually to meet state law requirements.

The instructional minutes per year required by law for schools are: 36,000 minutes for kindergarten, 50,400 minutes for grades one through three, 54,000 minutes for grades four through eight, and 64,800 minutes for grades nine through twelve. The instructional minutes provided by the Folsom Cordova Unified School District schools are approximately 36,180 for kindergarten, 54,042 minutes for grades one and two, inclusive of early/late sessions*, 54,042 minutes for elementary grades three through six, 62,100 for middle school, and 65,700 for comprehensive high school.

*Early/late schedule minutes include total instructional minutes from the beginning of the early schedule to the end of the late schedule as specified in the Education Code, Section 46205.

Beginning and ending times at the elementary schools vary slightly due to bus transportation, recesses and length of the lunch period. Kindergarten sessions are primarily set on an a.m./p.m. schedule. Kindergarten slip schedules may include lunch.

The proposed 2006-2007 start and stop schedules are included.

FISCAL IMPACT: None.

RECOMMENDATION: Approve the 2006-2007 elementary and secondary instructional day schedules.
