ADOPTION OF AGENDA

MYERS/BENTON MOVED TO ADOPT the agenda.
MOTION CARRIED UNANIMOUSLY.

PUBLIC PARTICIPATION (0304-051)

- Michael Zilverberg, parent, addressed the board regarding his son's suspended expulsion. Requested the board reconsider their action in this case.
- Jacob Zilverberg, student, addressed the board regarding his suspended expulsion.
- Cindy Evans, Head Counselor, reported we had a great start of the 2003-2004 school year.
- Pedro Hernandez, Rancho Cordova resident, addressed the board regarding an incident at a football game at Cordova High last week. It's important to have law enforcement (not hired security) at these games to control situations of this nature.

0304-056 – Approve 2002-2003 Adult Education Report

BENTON/SHORT MOVED TO ACCEPT the 2002-2003 Adult Education Report.

MOTION CARRIED UNANIMOUSLY.

DISCUSSION

0304-057 – 2003-2004 Enrollment Update

Mr. Rickabaugh provided the most up to date enrollment figures as of September 10, 2003. The report shows an increase of 449 students over last year’s enrollment on September 18, 2002.

0304-058 – This number not used

0304-059 – 2003 ACT and SAT Test Results

Director of Testing and Assessment Bob Mange reviewed the results of the 2003 ACT and SAT tests.

Mrs. Stanley

- On the five year trend, there is a drop in verbal and math at Cordova High School and verbal at Folsom High School, resulting in a district overall drop.

Mr. Mange

- It is significant to look at the long-term results. In 1999 both high schools did extremely well. In the year 2000 the big push was made to increase the number of students taking the test. When we look at the five-year trends, we see as we increased the diversity and the number of students we have some drops but in most all cases we have stabilized and now are heading back up again.

Mrs. Stanley

- What year did they rebenched the SAT curve.

Mr. Mange

- Will get that information. Next year we are likely to see the five-year trend change significantly.

Mrs. Myers

- In addition to your national test, do you have any analysis of what happens to our students when they take the college placement tests in English and Math? Our test results show good performance levels but we receive feedback each year from state university staff saying high schools are not preparing our students. Do you have any numbers?

Mr. Mange

- I am not aware of those college entrance exams coming back to us.

Cindy Evans

- My husband is Director of Writing Assessment at UOP. A lot of colleges use these scores for placement in the classes. So if our students are improving their scores on these tests, they are probably improving their placement. Colleges are trying to get away from over-testing kids just like we are. So if they have already taken this test, it is being used to determine class eligibility.

Mr. Mange

- I believe the CSU system is now looking at the English language arts and the mathematics state standards test as part of placement.

Mr. Shaw

- What is the estimate of the size of the sample in each of the years?

Mr. Mange

- In 2001 about 370 students, a little over 400 last year, and 548 this year. Not aware of the previous two years. There has been substantial growth each year.

Mrs. Stanley

- Is the increase in the number of students also an increase in the percentage of our students? We are at 25% now. Was the percentage lower in 1999?

Mr. Mange

- Believes it was similar. As we have grown, our percentages have stayed fairly similar.
- The students are not separated out on the ACT. There are 80+ students this year. We receive a district result, but not individual school results. Results are similar to past performance, performing well above the state and national average for the entire group.
- Referenced the second page showing students who have taken more than the core academic requirements, and as in the past, exceeded both state and national averages.
- Pleased to share that our students who haven't quite completed all of the core classes have scored extremely well in all areas compared to state and national scores. This is the result of the academic requirements and the hard work of our teaching staff.

Mr. Short

- It is interesting how the media beats up the State of California. If you look at the numbers they are just about right on with the nation, except for the lowest 25%, which could be attributed to California's number of newcomers.

Mr. Mange

- California's K-12 student population (6 million +) is larger than many state's total population.

Mrs. Stanley

- Have you seen an increase in the number of ACT test takers?

Mr. Mange

- There were 92 last year and 85 this year. The average is usually right around 80. It is not as popular as the SAT because it is not used as often by colleges for entrance requirements.

REPORTS

0304-060 – Reports to the Board of Education

A. Superintendent Siefkin reported on the following:

- Joined Melinda Wilson, Folsom High School Teacher of the Year at the county celebration. Congratulations to Melinda for her success and nomination.
- No memorial or service for Richard Samuel Parrish is planned here in the Sacramento area. The family is planning a funeral and memorial in the Los Angeles area this weekend.
- Invited board members to attend the Folsom or Cordova High football games tomorrow night. The stadiums will be dedicated.

B. Correspondence to the Board

C. District Committees

BOARD OF EDUCATION

0304-061 – Board Business

A. Board Communication

Stephanie Shaffer

- Held a rally in the new stadium. The students appreciate the quality of the stadium.

Sara Myers

- Condolences to the Parrish family.
- Attended the PDAC meeting at Folsom Middle School. The topic was school day and instructional minutes. Leslie Faust and Judy Lewis were very articulate in their presentation of the information. We did not hear a lot from the community on this item.
- Attempted to attend the Secondary Curriculum Advisory Committee meeting but was stuck in traffic. Apologized for missing the meeting.
- Attended a meeting at the City last night, Assistant City Manager Will Kempton who is working on resolving the Folsom Dam Road and traffic issues here in Folsom reported on his visit to Hoover Dam, which is not closed. Received an idea for safety requirements that might allow opening the road during some times.
- Will attend the Folsom football game tomorrow night. Will pick a future game in Cordova to attend later on in the season

Richard Shaw

- Condolences to the Parrish family on their tremendous loss.
- Attended Teacher of the Year dinner. Congratulations to Melinda Wilson who represented our district very well. Her speaker was very good.
- Looking forward to football games tomorrow, and will try to attend both of them.

Edward Short

- Condolences to the Parrish family on their loss.
- Mr. Hernandez spoke about violence at the Cordova High game. Would like to see staff check on the possibility of having law enforcement's presence at the games.
- Adult Education is a great program and very successful. Thanked Mr. Fillman.
- Had a good time at the Folsom Mayor's golf tournament. Stephanie was there; I was very proud to see her there.

Roger Benton

- Condolences to the Parrish family.
- Adult Education is a great program.
- I'm excited to attend the varsity football games tomorrow night. The CHS football program is rated in the top 15 in the region. Max Miller has done a great job.
- Community Council meeting tomorrow. City Council will be there.
- Every school board meeting we have to deal with student matters – tonight we had no expulsions. Thanked Jim Thompson.
- Requested a future discussion item on Reorganization.

Teresa Stanley

- Extended her sympathy to the entire Parrish family.
- Attended Folsom High School's back to school night. Parking is atrocious, and we need more parking spaces.
- The Biology department has always done a portfolio at the end of the year, and they are rethinking this because of plagiarism. Today's technology makes plagiarism easy. Need to look for measures to avoid this and to look at our policies and make them tougher so students know if they get caught there are severe consequences.
- Attended the joint coordination meeting with the City of Folsom. Instructional minutes were discussed. We explained the process. We also discussed the joint library, and are still working on the agreement.
- Mr. Siefkin thanked the City for the police services provided for the opening of the schools. Everything went smoothly. Sounds like the modifications the City made to the streets near Sutter Middle School were helpful.
- Continuing to receive phone calls regarding the lack of textbooks at some of the secondary sites. Can we find out if this is close to being resolved?

President Stanley stated that the board would recess to Closed Session at 7:35 p.m. to continue the Superintendent's evaluation. No action will be taken.

Reconvened to Open Session at 8:46 p.m.

Meeting adjourned at 8:47 p.m.

INFORMATION

0304-062 – Evaluation of Buy Back Day

0304-063 - Modernization and Construction Projects Update – Rancho Cordova

0304-064 – Next Regular Board Meeting is scheduled for October 2, 2003 at Folsom High School, 1655 Iron Point Road, Folsom, CA, 95630.
