Asked Mr. Godwin to introduce the special presentation.

SPECIAL PRESENTATION

Update on Accelerated College Entrance (ACE) Courses – Jean Cavanaugh and Cameron Billeci Assistant Superintendent Janie DeArcos introduced Jean Cavanaugh and Cameron Billeci ACE program coordinators for Folsom High School and Cordova High School, respectively.

Ms. Cavanaugh gave a brief history of the ACE program that Sacramento State has been running since 1985. The program allows high school students to earn college credits in approved courses. Credits are transferable to Sacramento State and many other universities. Standard university fees are waived, and students pay only \$5 per semester to register. Calculations show that FCUSD students have saved over \$3 million dollars in tuition from 2006 through 2009.

Mr. Billeci and Ms. Cavanaugh reviewed the ACE courses that are available to students at both Folsom and Cordova High Schools. ACE German instructor Melinda Wilson answered some of the questions Trustees had regarding credits earned.

Trustees thanked Ms. Cavanaugh and Mr. Billeci for their parts in the wonderful program and opportunity for students.

DISCUSSION

0809-086 – 2008/2009 Budget Update

Mr. Godwin had prepared a PowerPoint presentation on the budget, but postponed it until the next meeting or the December meeting due to the governor's last recommendations. He noted that if the governor's new proposal is actually enacted, we will need to cut \$6 million more from this year's budget. He hopes it's nothing more than political theater.

- Nothing to report. Acknowledged Vista del Lago students who were in attendance.

B. Correspondence to the Board - None
