Free appropriate public education (FAPE) means special education and related services that are provided at public expense, under public supervision and direction, and without charge; meet the standards of the California Department of Education, including the requirements of 34 CFR 300.1-300.818; include appropriate preschool, elementary school, or secondary school education for individuals between the ages of 3 and 21; and are provided in conformity with an individualized education program (IEP) that meets the requirements of 34 CFR 300.320-300.324. (34 CFR 300.17, 300.101, 300.104; Education Code 56040)

FAPE applies to students who are suspended or expelled or placed by the district in a nonpublic, nonsectarian school. (34 CFR 300.17, 300.101, 300.104)

Least restrictive environment means that, to the maximum extent appropriate, students with disabilities, including individuals in public or private institutions or other care facilities, be educated with individuals who are nondisabled, including the provision of nonacademic and extracurricular services and activities. Special classes, separate schooling, or other removal of students with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. (34 CFR 300.107, 300.114, 300.117; Education Code 56040.1)

Special education means specially designed instruction, provided at no cost to the parent/guardian, to meet the unique needs of individuals with disabilities including a full continuum of program options including instruction conducted in the classroom, in the home, in hospitals and institutions, and other settings, and instruction in physical education to meet the educational and service needs in the least restrictive environment. (Education Code 56300, 56031)

Special education may include each of the following if the services otherwise meet the definition in the above paragraph: (Education Code 56031)

1. Speech language pathology services, or any other designated instruction and service or related service, pursuant to Education Code 56363, if the service is considered special education rather than designated instruction and service or related service under state standards
2. Travel training
3. Career technical education
4. Transition services for students with disabilities in accordance with 34 CFR 300.43 if provided as specially designed instruction, or a related service, if required to assist a student with disabilities to benefit from special education

Specially designed instruction means adapting the content, methodology, or delivery of instruction to address the unique needs of the student that result from the student's disability and to ensure access of the student to the general curriculum, so that the student can meet the educational standards that apply to all students in the district. (34 CFR 300.39)

Surrogate parent means an individual assigned to act as a surrogate for the parent/guardian. The surrogate may represent an individual with disabilities in matters relating to identification, assessment, instructional planning and development, educational placement, reviewing and revising the IEP, and in other matters relating to the provision of FAPE to the individual with disability.
