

INTRA-DISTRICT OPEN ENROLLMENT**Enrollment under the No Child Left Behind Act**

Within a reasonable amount of time, not to exceed 10 school days, after a student becomes the victim of a violent criminal offense while on school grounds, the student's parents/guardians shall be offered an option to transfer their child to an eligible school identified by the Superintendent or designee. The Superintendent or designee shall consider the student's needs and parent/guardian preferences in making the school assignment. If the parents/guardians choose to transfer their child, the transfer shall be completed as soon as practicable.

Within 10 school days after learning that a school has been designated as "persistently dangerous," the Superintendent or designee shall notify parents/guardians of the school's designation. Within 20 school days after learning of the school's designation, the Superintendent or designee shall notify parents/guardians of their option to transfer.

(cf. 0450 - Comprehensive Safety Plan)

Parents/guardians who desire to transfer their child out of a "persistently dangerous" school shall provide written notification to the Superintendent or designee and shall rank-order their preferences from among all schools identified by the Superintendent or designee as eligible to receive transfer students. The Superintendent or designee may establish a reasonable timeline, not to exceed 10 school days, for the submission of parent/guardian requests.

The Superintendent or designee shall notify parents/guardians of their school assignment within 10 school days of the date that submissions are due. The Superintendent or designee shall consider the needs and preferences of students and parents/guardians before making an assignment, but is not obligated to accept the parent/guardian's preference if the assignment is not feasible due to space constraints or other considerations. Upon assignment, the transfer shall be completed as soon as practicable. If parents/guardians decline the assigned school, the student may remain in his/her current school.

The transfer shall remain in effect as long as the student's school of origin is identified as "persistently dangerous." The Superintendent or designee may choose to make the transfer permanent based on the educational needs of the student, parent/guardian preferences, and other factors affecting the student's ability to succeed if returned to the school of origin.

The Superintendent or designee shall cooperate with neighboring districts to develop an inter-district transfer program in the event that space is not available in a district school.

(cf. 5117 – Inter-district Agreements)
