

VISUAL AND PERFORMING ARTS EDUCATION

The Governing Board believes that visual and performing arts are essential to a well-rounded educational program and should be an integral part of the course of study offered to students at all grade levels. The district's arts education program shall provide opportunities for appreciation, creation, and performance of the arts.

(cf. 6143 - Courses of Study)

(cf. 6146.1 - High School Graduation Requirements)

The Board shall adopt academic standards for dance, music, theatre, and visual arts that describe the skills, knowledge, and abilities that students shall be expected to possess at each grade level. The district's standards shall meet or exceed state content standards for each of these disciplines.

(cf. 6011 - Academic Standards)

The Superintendent or designee shall develop a sequential curriculum for dance, music, theatre, and visual arts which is consistent with the state curriculum framework and includes the following strands:

1. Artistic perception: processing, analyzing, and responding to sensory information through the use of language and skills unique to each arts discipline
2. Creative expression: composing, arranging, and performing a work and using a variety of means to communicate meaning and intent in one's own original works
3. Historical and cultural context: understanding the historical contributions and cultural dimensions of an arts discipline
4. Aesthetic valuing: analyzing and critically assessing works of dance, music, theatre, and visual arts
5. Connections, relations, and applications: connecting, comparing, and applying what is learned in one arts discipline to learning in the other arts, other subject areas, and careers

(cf. 6141 - Curriculum Development and Evaluation)

The Board shall adopt standards-based instructional materials for visual and performing arts in accordance with applicable law, Board policy, and administrative regulation. In addition, the Board encourages teachers to incorporate a variety of media and technologies into lessons, presentations, and explorations in each of the arts disciplines.
