SAFETY UPDATE

We are receiving reports from our Sundahl neighbors that some of our Sundahl parents and guardians are driving at speeds on residential streets that far exceed the speed limit. Please take a moment to slow down. This will insure the safety of all children. Please plan a few extra minutes in the morning to get your children here at 8:10am rather than 8:24 ½ a.m. By planning to be here at 2:37 p.m. insures that you are here to meet your child when they are dismissed. Those few extra minutes before and after school will help to keep all of our students safe. Thank you.

Student Medication

All students' medications at school need to be picked up by a parent or other authorized adult representative by the last day of the school year, which is May 29, 2008. **Health Office staff will dispose of all medications that are not picked up by that day.**

Primary Musical & General PTA Meeting

Please join us for this year's Primary Musical. It will be held on Thursday, May 15 at 6:45pm. Mrs. Leonard and Ms. Larick and the chorus have been hard at work practicing their songs. Prior to the musical, there will be a brief PTA meeting to install the new officers for the 2008-2009 school year.

Lunch Accounts

Thank you for checking your child's balance on their lunch accounts. Because some students choose to purchase more than one lunch a day, some accounts are depleted or very close to depletion. To insure that your student has funds on their account, check your account at www.fcusd.org (departments- business services- food services-MealTime). Please remember that any funds left over at the end of May will be transferred over to the follow year regardless of which FCUSD school your child attends. Thank you for helping us serve your students in the lunchroom in a timely manner.
