Dear Families and Guardians;

The final Dateline of the 2007-2008 school year has come entirely too quickly. It seems like it was just August and we were welcoming students to school. As we bring this school year to an end, it affords us a great opportunity to give thanks and recognition to the many that have made this year and countless others so special.

Carl Sundahl teachers and staff members were recently recognized at our district Employee Recognition. Each year, our staff chooses three special people to honor. This year, Sundahl's teacher of the year is Aaron MacDonald, our classified person of the year is Carolyn Woods, with Marcia Weill being chosen as our Support Staff person of the year. It was wonderful to cheer and applaud these special friends. Trust me, our staff can make some serious noise! We were, hands down, the loudest and most proud!

Our Teacher Appreciation Week was so appreciated and welcomed especially the car washing! Thank you to the PTA for organizing such a wonderful week of activities for our teachers. Our Volunteer Tea Reception held today was Sundahl's way of saying thanks to the countless volunteers who give so freely of their time and energy, not only their children's classrooms but also to Sundahl itself. Julie Feltman was honored as our 2007-2008 Volunteer of the Year. Her name has been added to the plaque that proudly hangs on the office wall.

It is with much sadness that we bid farewell to three of our staff members who are leaving us this year. Judy Leonard, our wonderful kindergarten teacher, and Carolyn Woods, our stellar Parent Coordinator, have announced their retirements. Dianna Bowling, our amazing Computer Teacher, is taking a year's leave of absence next year. Between these three wonderful individuals, they have blessed us with 45+ years of commitment to our students, staff, and families. While we are sad to see all of them leave us, we are so happy for them. We wish them countless joys.

Finally, please allow me to give my thanks to the students, staff, and families of Sundahl. You have made my first year here just a joyous experience. Being embraced by such a caring community has been truly wonderful. I look forward to many future years surrounded by people who care for children as well as each other. Please enjoy your summer. Read, relax, and recharge! We will see you back here on August 11, 2008 at 8:25 am!
