International Bike/Walk to School Day

We are pleased to announce that Carl Sundahl is participating in this year's International Bike/Walk to School Day on October 8, 2008. Last year was very successful so let's improve our record. It's simple – we encourage Students, parents, guardians and staff to walk or bike to school on Wednesday, October 8. See the reverse side of the dateline for more information.

Dr. Tap Dance Recital

Mark your calendarThe students and staff are rehearsing for this year's dance recital – "Turn the Beat Around". The dates for the dance recital are Thursday and Friday, October 23 & 24. If your student practices on Thursday, they will be dancing on Thursday night (2 performances). If they practice on Friday, they will be dancing on Friday night (2 performances). Tickets for the event will be \$3.00 and will be sold in the office **beginning Monday, October 13.**

Wal-Mart Plastic Bag Recycling Program

Remember, save your plastic bags and drop them off in the marked container in front of the multi. This is a easy and profitable fundraiser sponsored by Wal-Mart.

Forgot something?

Just as a reminder – the office is open until 3:30pm. If your student forgets something (homework, books, jacket, etc) and it is after 3:30pm and the teacher is gone, please do not ask one of our night custodians to open the classroom door. Due to time constraints, they are on a tight schedule to complete their work and have been instructed not to open classrooms. Remind your students to get everything they need before leaving school.

DONATION OF THE MONTH
