Picture Retakes

Ready Reader Volunteers

Remember! A training session will be held this afternoon (10/15/08) in the Conference Room at 3:00pm. All that is required is a commitment of one to two hours per week and a desire to support the reading skill for primary students. Thank you. Sue Witt, 1st Grade Teacher

Attendance Winners for September

Kindergarten – Ms. Lauck & Mrs. Saill
Primary – Mrs. Harris' Class
Intermediate – Mr. MacDonald's Class

Traffic Safety Alert

Please be aware of the non-school traffic driving down Inwood Road. Many drivers are trying to get to their homes during arrival and dismissal times, so please be courteous to those passing on the left. Also, please do not park in the fire lanes when picking up or dropping off before and after school. These lanes are to remain clear in case of an emergency. Thank you for working with us to keep everyone safe.

Picture Retakes

Picture retakes will be on Tuesday, October 28. If you student missed the original picture date or if you are not satisfied with their school pictures, you may have them retaken on that date. Please bring have your student bring their picture packet on the retake day. Thank you.

DONATION OF THE MONTH

October's Donation Item - boxes of tissue.
Please drop off in the school office.

Congratulations to our Dazzling Dolphins for September

Principal's Message

October 15, 2008

Dear Parents and Guardians:

Rehearsals for this year's Dance Recital are well underway. Students and many staff members are working diligently to learn routines and dance steps for this very popular annual event. This is the fifth year that this program is available to our students. The first year was funded by a grant from Wal-Mart. Proceeds from tickets sales are used to fund the program for the following year making it a self-funded activity. Ticket prices were raised for this year's performances to cover an increase in program cost. All performances are usually sold out so get your ticket orders in early. A limited number of tickets may be available during the week prior to the performances but there are no guarantees. Ticket information is available in this issue of the Dateline. This is one of those special programs available to our students contributing to a unique and memorable Sundahl learning experience. I am looking forward to enjoying this activity with you.

This is a very busy time of year for all of us. Teachers and students are preparing for our first trimester English Language Arts and Math benchmarks which will be administered the week of October 20th and October 27, respectively. Our students are eager to show all that they have learned since August.

Please mark your calendars to join us this Thursday, October 16, from 6:00pm-7:00pm at Math Night. Mrs. Klang and her committee have been working diligently to offer an evening of mathematical enrichment for our students and families. Sundahl students will also be available to assist at the various stations. We hope to see you there.

For our parents who drive to and from school, thank you for being mindful of our neighbors as you drive and await pickup at dismissal. While many neighbors choose to drive alternate routes to reach their destination on Inwood, especially during dismissal time, some need to use Inwood during this time. Thank you for being courteous drivers in assisting our neighbors as they attempt to complete their journey home.

As always, I would encourage parents, guardians, and community members to contact the school with any comments, concerns or other information. The school office phone number is 989-9182. The office FAX number is 989-2510. And my email address at school is dchays@fcusd.org.

Donna Chulos Hays
