Dear Parents and Guardians:

I would like to personally extend an invitation to you to attend our annual Open House celebration scheduled for next Thursday evening, March 12, 2009. Open House provides an opportunity for our students and staff to highlight the activities, projects, and learning environments that make up the outstanding academic program here at Carl Sundahl. We are very proud of our students, staff, and school. Parents, friends, family members, and the community are invited to join us in celebrating the accomplishments and quality work of our students. It is a great opportunity for parents and guardians to visit this year's classroom and to preview classrooms and grade level curriculum for the coming year. There will not be a general meeting of parents in the multipurpose room this year. All classrooms will be open from 5:30-7:00pm. The Sundahl PTA will again host a dessert social selling a variety of donated sweets. I am looking forward to visiting with you while touring classrooms on the evening of March 12th. Please make every effort to join us! March 12 will be a minimum day (8:25-1:31) for all 1st -6th grade students. It will be a regular schedule for all kindergarten students.

Our 2nd-6th grade students will be participating in the California Testing and Reporting Program (STAR- CSTs) from April 14-28th. Please check your calendars to insure that your students are here at school, all day, during those dates. Rescheduling doctor or dentist appointments insure that your child is in class during these very important testing times. More information regarding these tests will be discussed in our next Dateline. Thank you for marking your calendars now and making any arrangements necessary.

Sundahl's Student Council, under the guidance of Mrs. Young, have made arrangements and funded the Art Ark for all Sundahl classes. The Art Ark offers a hands-on approach to various strands of art and is offered through Crocker Art Museum. During March 18-24, each class will have the opportunity to visit the Art Ark, which will be housed on campus. We are looking for 2 volunteers per class, so if you would like to volunteer to assist your child's class during their experience, please contact Lisa Frazzetta (lfrazzet@fcusd.org). She can let you know the date and time.

Yearbook sales will continue until March 13. Don't miss out on this wonderful opportunity for your child. Look for order forms in your child's Wednesday folder. Additional forms are also in the front office.

Parents, guardians, and community members are always encouraged to contact the school with any comments, concerns or other information. The school office phone number is 989-9182. My email address at school is dchays@fcusd.org. Thank you again for your ongoing support of our programs and activities.
