Late Students....

We are beginning our 4th week of school and are already experiencing many late/tardy students. Our first bell rings at 8:20a.m. and school begins promptly at 8:25a.m. Our campus is open at 8:10a.m. for student drop off. If you student is late, please make sure they go to the office to sign in and receive a late slip.

Lunch Reminder.....

Lunch is \$2.25 and milk is now \$.50. Money can be sent in on a daily basis with your child or you may prepay in the office. You may also make payments and check your student's lunch account balance on line at www.carlsundahl.com – scroll down to Meal Time Online on the left hand side. You will need your student's ID number in order to set up your account. This may be obtained from the school office. Also, please do not send in food items that need to be heated for your student's lunch. We are not able to heat any items. Thank you.

Keep your kids healthy.....

- ◆ Take family exercise outings – a bike trip, play a game of touch football, go swimming.
- ◆ Encourage hobbies – many kids complain of being bored – play a musical instrument, take karate lessons, play on a sports team, go to the library.
- ◆ Let them run – many activities kids want to do are sedentary. Encourage them to play tag, Frisbee, kickball, or soccer.
- ◆ Don't put children on a diet – instead serve healthy meals and snacks. Pack their lunches so they are not eating chips and candy bars.
- ◆ Cut back on soda. Children do not need empty calories from high fructose corn syrup. Drink more water.

CARL SUNDAHL SITE COUNCIL VACANCY

The Carl Sundahl Site Council has 2 parent representative vacancies for the 2008-2009 school year.

The Council is comprised of our principal and members representing teachers, other school personnel and parents. Representative members serve for a two-year term and attend approximately 6 to 7 meetings per year. Meetings are generally held most months at 2:50 in the Carl Sundahl Staff Lounge.

The State of California provides money to schools to improve their programs. In our district, all K-12 schools have a School Improvement Program (SIP). The Site Council is the group that plans the improvements and decides how the School Improvement money will be spent. Here are a few ways parents can benefit from being a member of the Carl Sundahl Site Council:

- ❖ Gain first-hand knowledge of the issues in today's education in California
 - ❖ Understand school programs better
- ❖ Develop personal relationships with teachers, the principal and others involved with your child's education
 - ❖ Speak up and share your own ideas
- ❖ Form an opinion on what kinds of improvements would help our school

If you have an interest in serving on our site council and becoming involved in your children's education, please fill out and submit a brief personal biography on the bottom of this flyer. **Please return it to the school office by Sept. 10th.** If we have more than 2 interested parties, an election will be held where all parents will have the opportunity to vote for the candidate of their choice. Any further questions, please call Lisa Frazzetta at 989.9182 ext. 220 219. Thank you for your interest.
