Tuesday, January 19 – Friday, January 22 – Early Kindergarten registration for current Sundahl families.

Wednesday, January 20 – Kindergarten Information Night in the Multi from 5:30-6:30pm

Wednesday, January 20 – Registration packets sent home for returning students

Tuesday, January 26 – Kindergarten/New Student registration from 3:30 to 5:30pm in the multi.

Friday, February 5 – Returning students registration packets due

SPIRIT DAYS....

Just a reminder – every Friday is a spirit day. The students should wear their Sundahl t-shirts or Sundahl blue clothing. On the last Friday of each month, the Student Council has designated a special spirit day. On Friday, January, 29 – it will be Sports Day. The students may wear their favorite team's jersey, t-shirt, etc. The classes do compete against each other for the spirit banner.

PLEASE DRIVE SAFELY.....

Please make sure that you are following the rules for dropping off and picking up. There is no drop off or pick up in the Student Care area. Please read Mrs. Hay's principal message on the reverse side for more information. Thank you for working with us to keep the students safe.

Check your Wednesday folder...

The registration packets for all returning students (Gr. K-5) will be in this week's Wednesday folder. Please make sure that the entire packet is complete before you return it. You must include a current proof of residence (within 60 days) with your registration. These packets are due back by Friday, February 5. Remember, the classes are competing against each other to see which class will win an ice cream party!

Health Tip - Breakfast

Breakfast readies children for school. Classroom demands become burdensome for the child who is hungry. Students require essential nutrients and enough energy to concentrate and accomplish learning tasks. Breakfast provides these requirements while eliminating hunger symptoms such as headache, fatigue, sleepiness and restlessness. Research proves that breakfast is indeed the most important meal of the day.

Dear Families-

While our before and after traffic in front of the school is flowing efficiently and safely, we are experiencing some challenges in the Student Care/Kindergarten parking lot. The Student Care/Kindergarten Lot is for short term parking only, with no drop off or pickup. For the benefit of our families who transport students to school, we have provided our Traffic Safety for your review. Thank you for paying special attention to the Student Care/Kindergarten area. This will insure the safety of our children.

Donna Chulos Hays

Carl H. Sundahl Elementary School
Traffic Safety Alert

In the interest of safety for all of our students while they are at Sundahl Elementary School, the staff and members of the Safety Committee, made up of staff and parents, would again like to ask for your continued cooperation and adherence to the following procedures:

Drop Off Procedures:

Please drop your students off in the parking lot **at the crosswalk area** (yellow area in parking lot). It is very dangerous for children to be crossing at other locations. Please consider parking your car on the street and walking your child to the front of the school – easy exercise for both of you!

Pick Up Procedures:

Always drive slowly through the parking lot and please be patient. **The front lane is for school buses and day care vans only.** Please respect the crosswalk area and be very careful when pulling out and around the waiting cars, as children do not always look as carefully as they should. Again, please consider parking your car on the street and walking over to meet your student(s).

Additional Reminders:

- ❖ Bus Loading Zone & Fire Lane
 - Keep clear for bus entrance, loading and unloading
 - Use extra caution using lane when buses are parked
 - If using for drop off or pickup, remain in the car, do not park
- ❖ **Student Care/Kindergarten Lot**
 - Short term parking only, NO drop off or pickup**
- ❖ Do not block Inwood Road at entrance to student drop off
Students should wait for pickup at flagpole or in front of office
