Principal's Message

October 21, 2009

Dear Families-

This is a very busy time of the year for us. We are in the middle of our annual Red Ribbon Week festivities. PTA Committee Chairs Heather Zang and Lisa Ames have organized a full schedule of daily activities to support the "Just Say No" program to drugs, alcohol, and tobacco. The campus looks great and the multipurpose is filled with classroom art focused on making positive choices.

The sound of energetic music has been heard drifting from Sundahl's multipurpose room. Add to that the sounds of students dancing, counting, and helping their classmates learn the dance steps, and you have the recipe for an exciting and entertaining event! If you have not done so already, please mark your calendars for Thursday, Oct 22, and Friday, Oct. 23, as you simply will not want to miss this performance. Proceeds from ticket sales are used to fund the program for the following year making it a self-funded activity. All performances are usually sold out so please be sure to get your tickets ASAP. This is one of those special programs available to our students contributing to a unique and memorable Sundahl learning experience. The Sundahl staff is looking forward to enjoying this activity with you.

Please be sure to visit Marcia Weill's Counseling Corner in all of our Datelines. Because of Foundation's continued generous funding, Sundahl students and families benefit from her additional time and lessons which have focused on such areas as Being an Optimist, Choices, and this year's Respect. Thank you to the Foundation for its continued support enabling Mrs. Weill additional school time to share her expertise with our students and families.

As always, I would encourage parents, guardians, and community members to contact the school with any comments, concerns, or any other information. The school phone number is 989.9182. Our new office FAX number (our district is moving to E-faxing within the month) is 294-2481. My email address is dchays@fcusd.org. Thank you again for your ongoing support of our programs and activities.
