Tickets will go on sale beginning Monday, October 12. The tickets are \$3.00 per person (Children under 5 are free if they sit on your lap). *We are accepting cash for tickets – checks will be accepted for \$20 or more. Please make sure you purchase your tickets in advance as seating is limited and this year tickets will not be sold at the door.*

STUDENT CELL PHONES

Please remind your children that if they bring a cell phone to school, it is to be kept in their backpack during school hours. They may only use the cell phone before or after school. Thank you.

DONATION ITEMS FOR OCTOBER

- Anti Bacterial Hand Sanitizer*
- Clorox Wipes*
- Copy Paper*
- Kleenex Tissues*
- Paper Towels*

Any of these items would be appreciated. Please deliver to the school office. Thank you for your generosity.

Jump Rope for Heart
November 18, 2009

It’s time to start gearing up for our annual Jump Rope for Heart event. If it seems like yesterday that we had the event, we did host the event in April (normally we do it in the fall) due to some event circumstances that could not be controlled

In your Wednesday folder, you should find a pledge envelope. When you make your donation, make sure that you take the envelope to the office and give it to Mrs. Rieger. The participation forms goes to your classroom teacher. If every family donated \$10, we could donate in excess of \$3,000. That would be one incredible statement by our school. If you have additional questions or if you are able to volunteer on the morning of November 18, please contact Mr. Morning. Thank you.

Dear Parents and Guardians:

Rehearsals for this year's Dance Recital, "Pump Up the Jam," are well underway. Students and many staff members are working diligently to learn routines and dance steps for this very popular annual event. This is the sixth year that this program is available to our students. The first year was funded by a grant from Wal-Mart. Proceeds from tickets sales are now used to fund the program for the following year making it a self-funded activity. All performances are usually sold out so get your tickets early. A limited number of tickets may be available during the week prior to the performances but there are no guarantees. Ticket information is available in this issue of the [Dateline](#). This is one of those special programs available to our students contributing to a unique and memorable Sundahl learning experience. I am looking forward to enjoying this activity with you.

Sundahl welcomed back our librarian, Carol Ringler, last week as classes joined her in the library. The students and teachers are over the moon to have not only Mrs. Ringler back but access to our library. Because of the Foundation, Sundahl students will have library time equal to last year. They are funding 40% of library time this year. THANK YOU FOUNDATION!

We have some upcoming events that you surely will want to mark on your calendar! PTA is sponsoring its [Sally Foster Fundraiser](#) from October 7 through October 21. Sally Foster offers such products as wrapping paper, candy, and gifts. Profits from this fundraiser go directly to the PTA to utilize for school activities. The next [Used Book Store](#) will be held on Friday, October 30. This event is held in our multipurpose room right after school. Remember that you may donate your children's used books for points to be used for even more books at the Used Book Store. Finally, you surely do not want to miss the [Foundation Four Fathers' Night Golf Tournament](#) on Friday, October 23rd, at Rolling Greens in Granite Bay. This event is back by popular demand and promises to be not only the best time you ever had playing golf but also directs proceeds directly to the students of Carl Sundahl! Please watch for the flyer in your child's Wednesday folder! Hope to see you there!

Our hats are off to all of the students who campaigned for Student Council this year as well as our new Student Council Advisor, Mrs. Nancy Rieger. It is a testament to all of them for taking the time and energy to dedicate themselves by taking the first step into world of politics. Forty-five students took the challenge and ran for office. Thank you to all for running honorable campaigns. My new predictions are that a future President is in our midst.

Parents, guardians, and community members are always encouraged to contact the school with any comments, concerns or other information. The school office phone number is 989-9182. And my email address at school is dchays@fcusd.org. Thank you again for your ongoing support of our programs and activities.

Sincerely,

Donna Chulos Hays
