

FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT

FITNESS TWO

Date: December, 2007

Subject: Physical Education

Grade Level(s): 10-12

Course Length: 1 Year

Grading: A-F

Number of Credits: 5 per Semester

PREREQUISITES: Fitness One

BRIEF COURSE DESCRIPTION:

The high school course description presented here communicates the essence of the high school physical education experience. The content articulates the knowledge, skills, and confidence students need to maintain meaningful physical activity throughout their lifetime. The course sequence provides a blueprint for delivering the content in a manner that equips students to make a successful transition from the physical education instructional program to participation in physical activity during adulthood. The adult lifestyle demands that individuals initiate and monitor their own participation in physical activity. Family responsibilities, career demands, and individual choices influence physical activity patterns.

Fitness 2 will provide the foundation for high school instruction. Students develop proficient movement skills in each area of physical education; they expand their capabilities for independent learning; and they examine practices that allow for sound decision making to enhance successful participation in movement activities.

DISTRICT ESLRs TO BE ADDRESSED:

Students will be:

- **Self Directed Learners:** Students will achieve and maintain a health-enhancing level of physical fitness and exhibit a physically healthy lifestyle. In order to do so requires intrinsic motivation which is the essence of self-direction
- **Effective Communicators:** Students will demonstrate responsible social behavior including respect for all others. This requires the ability to communicate effectively with peers and teachers in all components of class, from the locker room to the movement activity of organized sports.
- **Constructive Thinkers:** Students will: 1) understand how and why they move in a variety of situations and use this information to enhance their own skills; 2) understand that physical activity provides opportunities for enjoyment, challenge, and self-expression; and 3) understand how history and culture have influenced games, sports, play, and dance. Critical/constructive thinking is required to grasp these concepts.
- **Quality Producers/Performers:** Students will be competent in many movement activities.
- **Collaborative Workers:** The very nature of any organized sport requires working together towards a common goal. Collaboration is an integral part of progress towards that goal.
- **Responsible Citizens:** Students will demonstrate responsible personal and social behavior while participating in movement activities
