

# meet THE... teacher Mrs. Peterson

## welcome

I am excited to be partners with you in your child's education this year. TK is such a magical time and I look forward to watching your child blossom. My teaching philosophy is to provide an environment for young children in which they learn through active exploration that is rich in materials and opportunities to converse, socialize, work, play and negotiate with others. It's my mission this year, through Distance Learning, to encourage curiosity, exploration and problem solving, affection, and respect for each child.

## all about me

Hello! My name is Aimee Peterson and I will be your child's TK teacher. I have been teaching in the FCUSD since 2004, all of which have been in kindergarten (7 years) and TK (10 years). Teaching young children is my absolute FAVORITE! I grew up in Folsom and am a product of the FCUSD educational system. After high school I attended Chico State where I received my BA degree in Child Development and met my husband Canen. We got married in 2000 and live in Folsom with our fur babies Maggie (13), and Murphy (17 months). We are extremely close to our family which includes 3 nieces and 8 nephews that keep us very busy. We love glamping, movie nights, family game nights, socializing with friends, country concerts, working in our yard, cooking & traveling!
