### **PAWS (Personal Achievement with Support)**

Block Schedule days have been set up for one hour, every Wednesday and Thursday, to provide students with academic opportunities to meet with teacher for extra help, studying collaborating with peers, making up work, using the library, or participating in enrichment activities or special functions. Student must have their Paws Port in their possession to travel during this time.

#### **PAWS Process & Procedures**

1. Students travel from their block period to their assigned PAWS class (10:18-11:18).
2. Students fill in their PAWS Port and present their destination(s) to their PAWS teacher for verification.
3. Students with stamped teacher request must travel to the requesting teacher
4. Teachers verify and record student travel destination on a provided PAWS attendance sheet and initial student PAWS Ports
5. Students must arrive at their destination no later than 10:25
6. PAWS runs from 10:18-11:18
7. At 11:18, students will continue to their next block period (3rd or 4th).
8. Consequences for lack of attendance, tardiness, or failure to travel to a “required” destination will result in revocation of travel privileges, detentions, Saturday Schools, or further progressive discipline.

### **Process for Resolving School Issue**

The Folsom High School process is a defined four step and progressive procedure.

**Step 1:** Contact the teacher directly (by phone, email or letter).

**Step 2:** Contact your student’s counselor (they have access to information about your student’s status & Progress).

**Step 3:** Contact the appropriate Assistant Principal per first letter of student’s last name.

**Step 4:** If you have completed the previous three steps and your problem/issue still needs to be addressed, then contact the principal.

## **SCHOOL SERVICES**

### **Bus Transportation**

Please visit the FCUSD Transportation webpage for bus transportation information. The page can be found at [www.fcusd.org/transportation](http://www.fcusd.org/transportation)

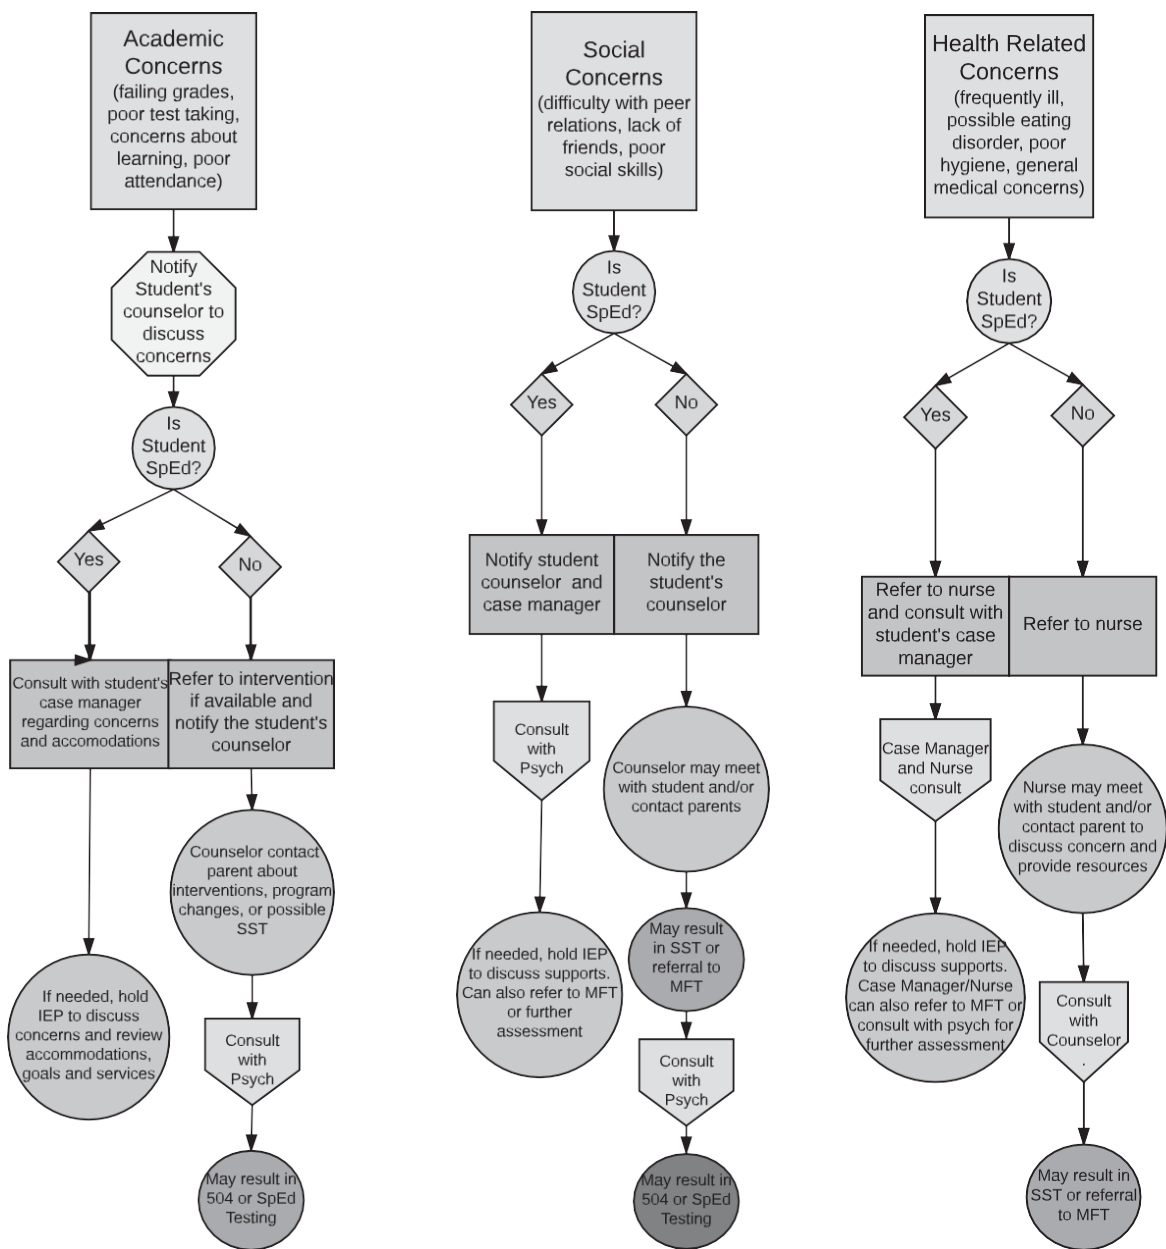

### **Conflict Resolution Program**

Conflict resolution, peer mediation and restorative practices are available to students on a voluntary basis. It allows students to settle their differences themselves, with dignity – away from the view of other students. Campus supervisors, counselors, teachers, and administrators can arrange this for any student who requests their assistance.

### **Counseling & Career Services**

The Counseling Department, located in the Administration Building, strives to provide the best possible service to students in academic, career, and personal guidance. The counseling department provides information about the SAT, ACT, tutors, scholarships, colleges, and free handouts on community resources, scholarship searches, career and college planning. Should parents and students have questions about graduation requirements, career planning, and career guidance, please visit ([www.fcusd.org/fhs/counseling](http://www.fcusd.org/fhs/counseling)) to see if your questions can be answered prior to contacting the counseling office. Folsom High counselors are working hard to provide you with up-to-date information on the website that will answer many questions. If you have checked the website and still have a question, please either call or email your student’s counselor.

## Health Services

A school Health Assistant is available to assist students with medications and to provide first aid. A Registered Nurse is available as a health resource for students, parents, and staff four days per week, typically Monday through Thursday. The School Nurse conducts annual hearing screenings for all tenth graders and is available for vision, hearing, and health/ developmental assessments upon referral. The School Nurse will develop individual health service plans for students with health concerns, such as asthma, diabetes, seizure disorders, etc. The Nurse coordinates efforts to control communicable disease, check immunization status, provide health referrals, and offer health education.

Students must have a signed pass or PAWS-PORT to visit the Health Office and must sign in and out on the attendance record. Students are allowed fifteen minutes of rest. When a student is not feeling able to return to class, a phone call is made to notify a parent/guardian. Students must check out with the attendance office in order to be released from school.

Student Medication - Students are NOT to keep medication of any kind, including over-the-counter medication, in their possession while on campus. If it is necessary to take medication during school hours, the medicine must be brought in the original labeled container to the health office, along with a district release form completed and signed by a parent/guardian. Prescription medications or prescription-strength dosages of over-the-counter medicines require a physician's signature. Medication release forms may be downloaded from the FCUSD Health Programs website, the FHS website, and are available in the nurse's office. No medication (including "over the counter" medications) will be given without a consent form signed by the student's doctor and the student's parent/guardian.

## Services:

The LRC is available for students to read, check out books, get ahead on homework, do research, make copies (at a cost) or use a computer. Chromebooks and more robust laptops are available for use in the LRC. The LRC is open every school day before school, during lunch and after school; however, on some occasions it may be closed for alternative use. The LRC staff is happy to assist students and all students are welcome.

A valid student ID card is required for all checkouts. Students are not allowed to check out material for other students. The FHS library has over 11,000 books available for students to use. The library is also the distribution center for school textbooks and English Dept. novels.

**Lost Books:** If a fiction or non-fiction book is lost or damaged beyond usability, the student's account will be charged the replacement cost of the book. No further checkouts will be allowed on the student's account until the debt is cleared. Students are responsible for the safekeeping of the textbooks, which are provided by the school district for their education and use. All textbooks are to be returned to the library by the last day of school for the academic year. If a textbook is lost or damaged beyond usability, the student will be provided with a replacement copy, however, the student's account will be charged the current replacement cost of the material (BP 6161.2 Instruction). This can also result in the school withholding the student's grades, diploma/certificate or transcripts until reparation is made (AR5125.2).

**Computer Use:** All students will be issued a Chromebook and are intended for academic purposes during class, PAWS and at home. They may be used for personal reasons before and after school as long as that use complies with district technology use policies.

**Behavior:** The LRC may be used for quiet, study-related activities. Classroom rules apply in the LRC. Please be respectful of fellow students by not being disruptive.

Bring all items needed for the day with you in the morning; cars are NOT to be used as lockers! The parking lot is off limits during school hours. Do not leave your valuables outside of your locker – place them in your locker.

Your personal property is your responsibility. The school district does not carry insurance for the loss of personal property for staff or students.

### **School Property**

Students are financially responsible for all textbooks, Chromebooks and materials issued to them. Students will be billed for lost or damaged materials. Report cards, schedules, and/or diplomas are held until all fines are paid. Stolen textbooks must be immediately reported to administration

Debts are charged to a student account for returned checks, outstanding fundraiser materials (i.e., discount cards or books issued to students to sell for a club), overdue library books and/or outstanding or damaged textbooks. Debts must be cleared at the Student Accounts office before any other transaction can be processed. Seniors with unpaid debts will not be allowed to participate in graduation ceremonies

Once students have completed graduation requirements, they are no longer a student of Folsom High School and may not re-enroll as a high school student. Students who take a college course after graduating midterm (but prior to enrolling in a four-year college) may be reclassified as a “transfer student” by the four-year college. This could negatively affect a student’s enrollment status at the four-year college. Folsom High School midterm graduates may attend Senior Ball, Senior Breakfast, Sober Grad Night, and the FHS graduation ceremony.

### **Course Selection Process**

The FHS Curriculum Guide (accessible via the Counseling link of the Folsom High School website) has descriptions of all classes at FHS and information for high school and college planning). It is essential that all students put serious consideration into their course selections during the spring registration process because there may be limited opportunities to make changes in the future.

### **Schedule Change Process**

1. If a parent or student believes that there is a compelling need to change a class/schedule, the student or parent

should contact the counselor during the published schedule change window.

2. The counselor will review the schedule change request and/or pass it on to administration.
3. Counseling and administration will determine final class placement.
4. Folsom High does not honor requests for specific teachers, lunches and/or periods.

### **District Policy**

1. A student who drops a course after the first two weeks of the semester shall receive an F grade on his/her permanent record card. (cf. 5125-Student Records) A student who drops a non-AP course during the first two weeks of the semester may do so without any entry on his/her permanent record card. A student who drops a course after the first two weeks of the semester shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances.

### **Enrichment Opportunities**

In order to be eligible to take an enrichment course, students must show evidence of an “impacted” schedule that meets **ALL** the following criteria.

1. Full schedule of six classes
2. No TA period.
3. A remaining need for classes that complete graduation requirements.
4. A remaining need for classes that complete A-G requirements or AP course.
5. A remaining need for classes that complete a Career Technical, Project Lead the Way, World Language, GPS, arts or music pathway.

### **Course Substitution Contract and Guidelines**

Students may choose to take courses outside of the Folsom Cordova Unified School District when a student is, for good reason, unable to take the course of study offered at their school site. For permission to be granted for a student to take such a course, the following stipulations must be met: A. Students must have demonstrated academic preparation and ability. B. Students must have a full, inflexible academic schedule planned for their entire time enrolled at their school site. A student may not be approved for a course substitution if the student has an unscheduled class period or electives during the regular school year that do not meet high school graduation requirements or pathway/college preparatory needs. C. Course Substitution Contracts must be approved in advance of enrollment in any non FCUSD course. D. Course substitutions will only be approved if the course is an FCUSD graduation requirement and taken through a WASC accredited program. E. Students are not guaranteed a seat, when completing a course in a sequence in the higher-level course depending on seat availability at the time of transcript submission.

\* Only courses needed to earn a Folsom High School diploma will be placed on the Folsom High School transcript. Students who take a-g courses that are not needed to earn their high school diploma will submit a separate transcript from the institution in which they take the course along with their high school transcript when applying for college.

\*\*This contract must be completed and approved prior to the start of the high school term. Students should not enroll in an independent study, online, or college course for the purposes of substitution until they have received notification that their Course Substitution Contract has been granted final approval by the counselor and principal.\*\*

### **Course Challenge by Examination (FCUSD AR 6155) – Petition to Challenge Course**

One month prior to the end of the current year, currently enrolled students interested in challenging a course for the next year shall file a petition form with their counselor. No course may be challenged once the semester has started. The counselor shall inform the course instructor of the student’s intent to challenge the course. The student shall be allowed to challenge the course by examination if his/her petition is signed by the counselor, department chair, and parent/guardian. The student’s petition shall include, but not be limited to, the following:

1. Grades in courses of the subject area of the challenge
2. Recommendations from the teacher

3. Substitute courses to be taken by the student
4. Student's rationale or reasons for challenging a specific course

The challenge examination may be offered when the course is part of a sequence of courses normally taken in specific order or when the course is normally required for entry into another course.

1. During their enrollment in high school, students may challenge no more than four courses which meet graduation requirements. While successful challenge will exempt a student from those specific courses required for graduation, the student is still responsible for the total units required for graduation
2. A student may challenge a particular course only once
3. A student may challenge only one course per semester. This may be a course in which the student is enrolled or any other approved course offering
4. A student may not attempt credit for a course below his/her ability or grade placement
5. Courses previously taken where credit was received, remedial courses and physical education courses are exempted from the course challenging program.

### **Dual Enrollment Through FCUSD**

Dual Enrollment allows high school students to enroll simultaneously in college classes for credit while earning their high school diploma. Specific courses are offered each term and must be registered for at the high school and at the community college. Courses that are transferable to UC/CSU are given weight in your high school GPA (5.0 scale).

### **College Credit Program (ACE Credit)**

The College Credit Program allows qualified high school students to enroll in specific classes at Folsom High School and earn college credits while completing regular school studies. In some classes, there is some overlap between the advanced high school curriculum and college and university work and an articulation agreement between the high school and the college has been developed. Some high school classes are parallel to Folsom Lake College and others with the California State University, Sacramento.

All rules and regulations governing the Los Rios Community College District will be in effect for all college courses taken by high school students. It is the student's responsibility to check the college catalog for verification of transferable credit.

The criteria for advanced education eligibility are as follows:

1. Student must have a minimum 2.70 cumulative GPA and counselor/administration approval.
2. Student must have completed 10th grade or be 16 years of age by the first day of instruction.
3. Student must meet any prerequisite(s) for the college course.

Concurrent college courses will not be awarded FHS credit without prior approval by the counseling/administration. Students and parents should be aware that some colleges may not allow transfer credit for college course work that was also given high school credit.

### **Final Exam Policy**

Final examinations are mandatory at Folsom High School and will not be given early. Students who miss their final exams will be issued a grade of "incomplete" for the semester. An "incomplete form" must be filled out and signed. Students are required to make up their missed final exams prior to the first two weeks of the following semester in order to replace the "incomplete" grade with a letter grade. Failure to do so may result in a semester grade of "F" (fail).

### **Grading Policy**

At the beginning of the school year, students will receive from each of their teachers a written grading policy explaining the class requirements and behavioral expectations. The grading policy will be sent home for signature and must be returned to each individual teacher.

Letter grades are assigned on the following scale (see each teacher's course expectations):

A: 90% - above	D – 60% - 69.9%
B: 80% - 89.9%	F - Failing

Teachers and administration will continually monitor the quality of assigned homework.

1. Student possesses a cumulative un-weighted GPA of 4.0 in all courses posted to their high school transcript. No fewer than 10 of these "advanced" credits must be earned during the student's final year of high school [Note: A mid-term /mid-year graduate could take two "advanced" courses in the first semester/term of the final year of high school to meet this requirement.]
3. If no student with the minimum required number of "advanced" credits completed meets the cumulative 4.0 un-weighted GPA requirement, then it will be left to the discretion of the site principal to name a valedictorian(s) – or the principal has the option to not name a valedictorian for that school year.

## Campus Rules & Policies

### Academic Honesty

Honest behavior is the expectation for all FHS students. Academic honesty and personal integrity are fundamental components of a student's education and character development. The academically honest student produces work representative of his/her own efforts and abilities, whereas the academically dishonest student attempts to show knowledge and skills he/ she does not possess by claiming another person's work as his/her own. Therefore, the purpose of this school policy is to create and maintain an ethical academic environment. Any behavior that is contrary to the purpose of the school's "academic honesty" policy will be considered a violation, will be subject to the disciplinary consequences outlined in the school policy, and will apply for the duration of the student's enrollment at FHS. Students need to know that teachers, coaches, advisors, counselors, and administrators will hold them accountable for behaviors that violate the provisions of the school's Academic Honesty policy. Students denying the allegation of academic dishonesty must request an appeal with an administrator.

The definitions of behaviors that are considered to be violations of the school's Academic Honesty policy include, but are not limited to, the following:

1. Cheating on Tests or Assignments - Any soliciting, giving, using external assistance related to a test, quiz, or other individually graded assignment without the express permission from the teacher is considered cheating. This includes looking on another student's paper, sharing answers, copying another student's assignment/paper, allowing someone to copy your paper, or using an electronic device while testing.
2. Fabrication - Is considered any falsification and/or invention of data, citation, or another authority in an academic exercise.
3. Unauthorized Collaboration - While collaboration is often encouraged, unauthorized collaboration is not permitted. Unauthorized collaboration includes any intentional attempt to solicit an assignment, a paper, and/or test information from another person or the act of giving information, materials, answers, or an unfair advantage to another person.
4. Plagiarism - Is any representation of another's ideas, words, or work as one's own. Plagiarism includes the misuse of published material, electronic material, and/or the work of other students. The original writer who shares his/her paper for another to copy, without the permission of the teacher, is engaged in plagiarism. Self-plagiarism, double dipping, or dovetailing is the process of recycling and/or re-using papers, class work, projects, and/or assignments without authorization in multiple classes.

5. Alteration of Material – Any unauthorized alteration of student, teacher, library, school data/information and/or electronic materials.
6. Forgery – Any unauthorized signing of another person's name to school related documents.
7. Theft – Any theft of material or information
8. Transfer of Unauthorized Materials - Any soliciting, giving, or selling of unauthorized materials

For Teacher Assistants/Student Aides - Due to the level of trust and responsibility given to the students enrolled in the school’s TA (teacher assistant/student aide) program, they are expected to adhere to the appropriate standards of behavior and ethics. **Attendance**

The attendance clerk is Mrs. Egan, (916)294-2400 EXT 415116; [CEgan@fcusd.org](mailto:CEgan@fcusd.org)

The Law – School attendance is mandatory by state law for all youth under the age of 18 who have not graduated from high school, except as otherwise provided by the law. The law that went into effect July 1, 1998, recognizes only positive attendance for accounting purposes. The state no longer recognizes excused absences; only “in seat” time the student is actually in school. The school will lose funds for every day the student is not in school. We must still account for students’ attendance for mandatory state attendance purposes. It is the students and parent’s responsibility to ensure that attendance records are accurate; failure to do so will result in a disciplinary consequence.

#### FHS Late Policy

- 1st Late: Teachers’ discretion/policy
- 2nd Late: Teachers’ discretion/policy
- 3rd Late: Teacher assigns 30 minute AFTER SCHOOL detention; suggested that teacher contact parent
- 4th Late: Teacher assigns 50 minute AFTER SCHOOL detention; teacher contacts parent

- 7th and each additional late: Teacher contacts parents. Teacher notifies Administration by email. Administration contacts parent. Student is assigned Saturday School by Administration.
- *Policy is semester based and resets with the start of the second semester.*

#### Absence

If it is absolutely necessary to be absent, the student must bring a valid note from his/her parent or guardian, regardless of the age of the student, or have the parent or guardian contact the attendance clerk by phone. A note must include the following:

1. The name of the student (first and last).
2. The date, times, and reason for the total absence.
3. The signature of the parent or legal guardian
4. The note should be written in pen.

If a student is absent from school for any unexcused reason, their absence is considered a truancy.

1. Excused for school purposes only – confirmed illness with a doctor’s note; a family funeral, a prior approved and/or fully explained family emergency.
2. Out-of-town trips – except in case of approved 5 - 15 day Independent Study Agreement
3. Unexcused absence categories that will generate formal truancy letters include, but are not limited to the following: family business; babysitting; DMV; transporting family members or other people to the airport, appointments, or shopping; weddings; graduations; award ceremonies; senior pictures; non-school related sports activities or events; etc.

Please provide the attendance office with a doctor’s note or the absence will be considered unexcused and may result in Saturday School. Students are allowed 10 all-day absences per year due to illness without a doctor’s note. Exceeding this limit may result in an attendance review meeting (SART). Therefore, please provide the attendance office with a doctor’s note whenever possible

Falsification/forgery of a note or phone call is grounds for disciplinary action. A student presenting a forged note must have a parent or guardian report all future absences by phone to the attendance clerk.

Re-entering School After An Absence - Present the written excuse to an attendance clerk, or have parent or guardian call to verify absence. This must be completed within three (3) days or the absence becomes a truancy. If a student comes to school during a passing period, they must first come to the attendance office and check in. Single period absences will be the responsibility of the student to clear. If you receive a call from the auto dialer and were at school, check with the

attendance office to see which period you were marked absent from, pick up a slip to take to the teacher and have signed that you were present, and return it to the attendance office immediately.

**Non-Truant Absences** – The only non-truant reasons for a pupil to be absent from school are: 1) illness; 2) medical appointments; 3) quarantine; 4) funeral of member of immediate family (one day in state, three out of state); 5) jury duty; 6) court required appearance; 7) religion; or 8) exclusion from school for not having proper immunizations (five days only). All other absences are unexcused and may result in Saturday School.

**Truancy** - Any pupil who has been absent from school without a valid excuse for more than three (3) days, or is tardy in excess of thirty (30) minutes on each of three (3) or more days in one (1) school attendance year, shall be reported as a truant to the supervisor of attendance. The supervisor of attendance shall order a SART (School Attendance Review Team) hearing at the school site. This meeting will require parent or guardian attendance, and may result in a truant citation from the City of Folsom issued by the Folsom Police Department. Violation of the city truancy ordinance may result in fines or a referral to the district attorney's office. Subsequent truancies will result in a SARB (Student Attendance Review Board) hearing and further truant citations. Should the SARB process fail to correct the student's attendance pattern, the student and parents/guardians will be referred to Truancy Court. Single-class truancies, full-day truancies, and tardiness may result in after school detention, or Saturday School. Additionally, students with one or more unexcused full-day absences will be assigned Saturday School

**Early Dismissals** - This is a closed campus, so prior to the close of the school day or during class time, a student must obtain a "Permit to Leave Campus" from the attendance office in order to leave campus, along with parent permission. The absence must be phoned in prior to the student leaving campus. Absences phoned in after the facts do not excuse the absence. Students 18 years old or older must check out with an administrator. Parents will be notified unless they have been removed from all educational records.

1. **Emergency Or Illness** – After visiting with the nurse, check out with the attendance office.
2. **Appointments** -- A student must bring a note from his/her parent/guardian or have the parent/guardian telephone the attendance office, stating the reason for leaving and the time to be dismissed from school (or be able to reach the parent or guardian by phone prior to dismissal). Please follow up by bringing a doctor's note to the attendance office.
3. If a student has an appointment and must leave campus early, we ask that parents call the attendance office either the night before or early in the morning. A note will be sent to the student's class informing the student/teacher of the early dismissal time.

**REMEMBER:** Do not leave campus during class time or between classes without first checking out in the attendance office. Failure to physically check out with the attendance office and receive a permit to leave campus is a violation of school rules, constitutes being truant and is cause for disciplinary action such as but not limited to Saturday School, or campus clean-up. Being in the parking lot during school hours is a violation of the school's closed campus policy and is punishable as per the above corrective disciplinary actions. See section on Closed Campus.

**Absence Make-Up Policy** - The FCUSD's School Board passed a policy that reinforces our expectations of positive attendance for success in school:

1. Students shall be given the opportunity to make-up schoolwork missed because of an absence and shall receive full credit for work that is turned in according to a reasonable make-up schedule. Students may have two school days for each excused day of absence to make up the work, not including their first day back to school. It is the student's responsibility to request the missed work. (Education Code 48205).
2. Students who miss school due to an unexcused absence will be given the opportunity to make-up missed work. Teachers shall assign such make-up work as necessary to ensure academic progress, not as a punitive measure.
3. Students who miss class due to a verified cut may not be allowed to complete the missed work or an exam.
4. Students who have non-truant absences, been suspended or who receive in-house suspensions will be allowed to complete all assignments and tests missed during their absence.
5. It is the student's responsibility to request the work assigned during the absence and to clarify with the teachers when the make-up work is due.
6. Long-term assignments (assigned prior to the day of absence) are still due on the date originally set, regardless of

the student's attendance on that due date.

### Classroom Rules/Student Expectations

### Closed Campus

Folsom High School is a closed campus. Closed campus violations may result in assignment of Saturday School and/or a truancy citation served by the Folsom Police Department. The parking lot is off limits during school hours. Students are not allowed to return to their cars or to go to the parking lot during the school day. Failure to abide by this regulation may result in Saturday School. In addition, certain behavior is expected before, during, and after school hours. Good behavior will be expected at all times.

1. Students will not loiter on private property or disturb the peace.
2. Students are not allowed to sit in cars or be in the parking lot during lunch or school hours.
3. Students shall not litter on campus or private property.

### Computer & Internet Use

Folsom High is connected to the Internet. All students must abide by the Internet Use Policy (FCUSD #6118.01) as signed and agreed to during the registration process.

Folsom High School is continually striving to incorporate the latest technology within our classes. With this investment in technology and the need to keep our computer systems in excellent condition, it is important that we establish and maintain the highest level of respect for this equipment.

### Technology Expectations

- Use the Folsom High computer facilities for educational purpose only and remain on task assigned by the teacher.
- Utilize the hardware and software in an ethical manner. This implies respect for the security and privacy of students, teachers, and computer systems, and prohibits illegally gaining access to the network, hardware or software.
- Send to the printer only those assignments requested by the teacher.
- Do not take or copy any copyrighted and/or patented software or part thereof and acknowledge that it is illegal to do so.
- Do not copy another person's program or part thereof.
- Do not bring any flash drives into the class without prior approval from the teacher, in addition to not installing any program or software, shareware program included, on the computer system including loading or creating computer viruses, in addition to installing games on the computer or using the computer for game playing.
- Accept personal responsibility for reporting any misuse of the computer, equipment, or network to the teacher.
- Abide by the District's Internet Use Policy while using the Internet. Sites visited may be monitored by the district.
- Avoid using Electronic Mail to transmit threatening, obscene, or harassing materials. Folsom High School reserves the right to maintain the Electronic Mail on all campus computers, which may include monitoring messages.

- Not disrupting any of the Folsom High School networks as a whole or any equipment or system forming part of its systems, or any services provided over, or in connection with, any of the Folsom High School networks.
- Download only those files approved by the instructor and move them to personal disks or personal directory as soon as possible. Purging of files may be required by the teacher.

## Digital Citizenship

- Value personal privacy.
- Respect the privacy of others.
- Use polite and appropriate language in all messages—including personal messages.
- Maintain security for their own or anyone else's personal address, phone number, or password.
- Recognize that e-mail is not private.
- Recognize that text messages and group messages are not private.
- Recognize that significant school or social consequences may be applied due to inappropriate, digital behavior if the behavior occurs during school hours or activities or has a substantial impact on the school environment.

## Daily Bulletin

A daily bulletin is emailed to all teachers and students and is broadcasted during third period. You may view the bulletin on the Internet by visiting [www.fcusd.org/fhs](http://www.fcusd.org/fhs). If students wish to place an item in the daily bulletin, pick up a bulletin form in the reception foyer of the main office. Write your bulletin, have your club sponsor or advisor and an administrator sign it, and then return it to the reception foyer.

## Deliveries To Students

Flowers, balloons, commercial food, and gifts are not to be delivered or brought to Folsom High School as it is very difficult for the FHS staff to ensure accurate deliveries of these items while effectively serving our students, parents and staff. Balloons may unnecessarily set off fire alarms and are prohibited on campus.

Please do not visit campus to drop off lunch to a student, unless in the case of emergency. If a parent or guardian is going to make a delivery, they must do so at the receptionists' desk in the Administration building. A variety of lunch entrees is available daily in the cafeteria.

Student food orders from outside commercial vendors (eg: Grubhub, DoorDash, Food to You) will not be accepted at the front office or permitted on campus during school hours. For health and safety reasons, bringing home-made goods to share with others is strongly discouraged.

## Discipline Procedures

Discipline – A major point in the philosophy of education for Folsom High School is that all students should be ensured uninterrupted access to their education. The presence of chronic behavior problems is not conducive to maintaining discipline or to effective teaching/learning situations. Every attempt is made to eliminate or reduce obstacles to our goal of successful learning experiences. Discipline is defined in the Parents' Rights and Responsibilities Booklet and the District's "Student Conduct Code Booklet and a comprehensive due process outline with considerations and consequences is contained within; both booklets are found on the school's website, [www.fcusd.org/fhs](http://www.fcusd.org/fhs). Students who violate school rules or are referred for discipline may be subject to:

1. Student conference with teacher, counselor, or other school official
2. Parent conference with teacher, counselor, or other school official
3. Letter and/or telephone call to parent or guardian

4. Detention
5. Campus clean-up
6. Saturday School
7. Class suspension
8. At home suspension
9. Administrative transfer
10. Expulsion

Detention - Any staff member can assign up to 50 minutes of after school detention for behavior infractions. The student must begin serving the detention on the date of issue or the following day. Students scheduled to work (verification needed) may serve the required time before school if prior arrangements made, at the discretion of an administrator. Students are required to sign the detention form to acknowledge receipt of the form. If a student believes s/he has been assigned unjustly: 1) sign the form, and 2) make an appointment with the vice-principal. Appeals will not be considered if the student has not signed the form.

Expulsion Process - In addition to suspension from school, a written recommendation to expel from the school district shall be given to the superintendent for the following offenses committed while under school supervision:

1. caused serious physical injury to another person; CEC 48915(a)(1);
2. possessed, sold, or otherwise furnished any firearm, knife (brandished, locking or switchblade) or other dangerous object (including mace, stunguns, tasers, lasers, or otherwise normal objects used in a threatening manner, etc.); 48915 (a) (2),(c)(2);
3. unlawfully possessed, used or furnished any controlled substance (such as marijuana, methamphetamines, acid, or other hallucinogens); 48915 (a)(3),(c)(3);
4. committed robbery or extortion; CEC 48915 (a)(4)
5. committed or attempted to commit sexual assault; CEC 48915 (c)
6. committed assault or battery upon any school employee; CEC 48915 (a)(5)

Class Suspension - Any student who has been suspended from the classroom will report immediately to his/her vice-principal's office with work assigned by the teacher. If a student is suspended from a classroom, the teacher will inform the student of:

1. The section of 5132.2c the student has violated to cause disciplinary action;
2. The teacher's intention to suspend; **and**
3. the student's opportunity to respond to the reason for suspension.

By law, the teacher may request that the parent or guardian attend that class on the day the student is scheduled to return to the class or within three days of the student's return. The suspending teacher will make a notation on the suspension form requesting that this procedure be implemented. The principal/designee shall mail notification of such request to the parent or guardian. The teacher will attempt to make telephone contact with the parent/guardian on the day of the suspension. Students who receive excessive classroom suspensions, that is, greater than 10 hours, will receive an at home school suspension.

#### Interesting Facts About Searches & Conduct –

1. "School officials may search individual students and their property, (including cars and cell phones), when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the District or school." In the interest of health and safety, trained drug detection canines and metal detectors may be utilized (B.P. 5145.12).
2. "Law enforcement officers have the right to interview and question students on school premises" (B.P. 5145.11).
3. School officials are deemed "In Loco Parentis" by CA State Ed. Code, whereby school officials will do whatever is necessary to insure a safe and productive learning environment for all students.
4. All pupils shall be held to a strict account of their conduct on the way to and from school, on school grounds and during passing periods (CA State Ed. Code 44807) and in the community if the event should affect school safety or

climate.

5. FCUSD occasionally partners with law enforcement to use trained, non-aggressive dogs that use their sense of smell to detect drugs and other substances, such as gunpowder, that could threaten school safety. Per our school board policy, the canines will not be used in rooms occupied by students or employees. The canines will not be used to smell any individual employee or student unless there are reasonable grounds to suspect that the search will provide evidence of wrongdoing. The canines may be used to smell lockers, personal belongings such as backpacks, and vehicles located on school property. If a dog alerts on a specific item or place, the student using or responsible for it will be called to witness the search.

### Discipline Plan Grid

Interventions & Support F All Folsom-Cordova Unified School District administrators are committed to utilizing interventions and disciplinary supports, and consequences that are consistent, reasonable, fair, age appropriate, and reflective of the severity of the student's misconduct. Even though there are situations that might signal suspension from school, it is the District's goal to support students in learning the skills necessary to function in the school environment and to avoid negative behavior.

Please note that this document is intended as a reference tool for illustrating and clarifying existing federal, state law and regulations as well as Board policies and regulations. Such laws, rules and regulations are subject to frequent change and court interpretation, and shall prevail in the event of any conflict with statements in this summary. #### Student Discipline Code

The student discipline code applies to all students attending school in the Folsom Cordova Unified School District who engage in conduct at school, at a school activity, or related to school attendance, including, by way of illustration and not limitation, the following circumstances: (1) while on any school grounds; (2) while going to or coming from any school; (3) during the lunch period, whether on or off the school campus; and (4) during, going to, or coming from a school-sponsored activity. Where appropriate, discipline should be progressive. This means that a student's first violation will usually merit a consequence of a lesser degree than subsequent violations, taking into account all factors relevant to the severity of the current violation. Except where specified by Education Code Section 48900.5, a student may be suspended when there has been a determination that other means of correction have failed to bring about proper conduct or are not currently feasible, or that the student's presence causes a danger to persons.

Consequences/Interventions - Understanding that consequences and interventions represent "teachable moments" is fundamental to a positive approach to discipline. The goal of progressive consequences and interventions is the teaching of pro-social behavior. Progressive consequences seek accountability and behavioral change. Prevention of negative behavior occurs by helping students learn from their mistakes. Essential to progressive discipline is helping students who have engaged in unacceptable behavior to:

1. Understand why the behavior is unacceptable and the harm it caused
2. Understand what they could have done differently in the same situation
3. Take responsibility for their action
4. Be given the opportunity to learn pro-social strategies and skills to use in the future
5. Understand the progression of more stringent consequences if the behavior reoccurs

Consequences and interventions are most effective with students when they deal directly with the problem, in a way that is fair and impartial. These procedures were developed to establish a uniform discipline code for the District; it is expected that this code would be followed and consistently enforced throughout the Folsom Cordova Unified School District. All District staff who are authorized to impose disciplinary actions are expected to do so in a prompt, fair and lawful manner and to place emphasis on the student's ability to grow in self-discipline. All District staff are to assure due process for students. When choosing interventions and consequences for a student's behavior, District staff should consider the following factors:

1. Age, health, maturation and disability or special education status of the student

2. Student's prior conduct and record of behavior
3. Student's understanding of the impact of their behavior
4. Student's willingness to repair the harm caused by their behavior
5. Seriousness of the behavior offense and the degree of harm caused
6. Impact of the incident on overall school community
7. Whether the student's violation threatened the safety of any student or staff member
8. The likelihood that a lesser intervention or consequence would adequately address the violation

When students are disruptive or act inappropriately, and following consideration of the factors previously mentioned, District staff shall determine the level of consequence and intervention needed to assist the student in bringing about proper conduct. Consequences should be paired with an appropriate intervention. The following levels of interventions and consequences shall be applied in a logical, appropriate, and consistent manner:

Levels of Response – Interventions and Consequences		
Level 1	<b>Examples of Classroom Managed Responses</b>	
	These interventions and consequences aim to teach correct behavior so students may learn and demonstrate safe, respectful, and responsible behavior. Teachers are encouraged to try a variety of teaching and classroom management strategies. Below are possible interventions and consequences that may be used.	
	<b>Possible Interventions</b> <ul style="list-style-type: none"> <li>• Establish positive relationship with student</li> <li>• Seat change</li> <li>• Pre-correction and redirection</li> <li>• No contact contract</li> <li>• Establish buddy teacher system</li> <li>• Parent/Guardian accompany student in class</li> <li>• Daily progress report for behavior</li> <li>• Increase positive recognition</li> <li>• Goal setting with student, possible counseling check-in</li> </ul>	<b>Required Consequences</b> <ul style="list-style-type: none"> <li>• Contact parent</li> <li>• Verbal corrective feedback</li> <li>• In-class timeout, Teacher detention</li> <li>• Parent/Guardian conference, Teacher meeting</li> <li>• Student verbal or written apology</li> <li>• Use buddy teacher system</li> <li>• Loss of class privileges</li> <li>• Student written reflection</li> <li>• Teacher and student conference/pose logical consequences</li> </ul>

## Bullying

Folsom High School is committed to providing a safe learning environment for all of our students. Bullying behavior in any form is not tolerated at Folsom High School. Students that are engaged in bullying can receive up to a five-day suspension and possible expulsion from Folsom High School.

In our continued efforts to provide a safe, secure, and welcoming environment for all students, we have established an online bullying reporting system. When a bullying report is submitted, a message is automatically sent to Vice Principal Greg Crannell, who will review the information and begin an investigation. This information can be entered anonymously.

To report bullying type this link into your internet browser: This link is also available on the school's home page.

[www.fcusd.org/bullying](http://www.fcusd.org/bullying). For more information regarding FCUSD anti-bullying and character education programs, please visit the following link <http://www.fcusd.org/character>. If you believe that you are being bullied, please report it right away to a school official (a Teacher, Counselor, Coach, or Vice Principal). If you know someone that is being bullied, please report it right away to a school official.

## Donations & Fees

With the exception of field trips and transportation, state law does not allow school districts to charge fees to students for educational activities; many of our programs benefit from financial contributions from participating families. Please know that a donation is not required to participate, and families that choose to contribute may do so at any amount. A suggested donation can help sustain school wide programs.

## Dress Code Guidelines

Folsom Cordova Unified School District dress code can be found here: <http://www.fcusd.org/DressCode>

## Drug & Weapon Free Zone

Folsom High School is declared a drug and weapon-free zone. Enhanced penalties will be applied to anyone prosecuted for drug or weapon violations.

## Electronic Devices On Campus

The Governing Board recognizes that the use of cell phones, smartphones, smart watches, and other mobile communication devices on campus may be beneficial to student learning and well-being, but could also be disruptive of the instructional program. The Board permits limited use of mobile communication devices on campus in accordance with law and the following policy:

Students in grades 9-12 may use cell phones, smartphones, smart watches or other mobile communication devices on campus--during non-instructional time--as long as the device is utilized in accordance with law and in accordance with BP/E 6163.4

Mobile communication devices shall be turned off during instructional time. However, a student shall not be prohibited from possessing or using a mobile communication device under any of the following circumstances: (Education Code 48901.5, 48901.7)

1. In the case of an emergency, or in response to a perceived threat of danger.
2. When a teacher, administrator, or other district employee grants permission

4. When the possession or use is required by the student's individualized education program.

Smartphones and other mobile communication devices shall not be used in any manner that infringes on the privacy rights of any other person. The use of any electronic device, to include cell phones, may NOT be used at any time in the gym locker rooms.

### Emergency Procedures

Emergency drills are held regularly throughout the year. Students must follow the procedures posted in classrooms for lock down, evacuation, and duck and cover commands. Students must write down their emergency assembly evacuation areas for each classroom in the grid located at the beginning of the Pawsport.

### Flag Salute & Fledge of Allegiance

Students are not required to take part in the Flag Salute or Pledge of Allegiance if doing so violates their beliefs or values. Students may choose not to participate in the flag salute for personal reasons in a way that is non-disruptive to others.

### Gum

Chewing gum is not permissible at any time on campus as clean up and removal of discarded gum is consumes far too much campus maintenance time. In order to promote adherence to this policy, detention may be assigned for each infraction

### Harassment/Hazing

Because hazing/harassment is against the California State Education Code, Section 220 and Calif. Law AB 537, steps will be taken by faculty and administrators to discourage this activity. Engaging in hazing/harassment of other students including sexual orientation / gender discrimination may result in suspension from school. Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature made by someone from or in the educational setting. Complete procedures for filing a complaint are mailed home in the first school newsletter and delivered as a classroom lesson during the first week of school. Any student, who believes that he/she has a legitimate reason for filing a formal "Sexual Harassment" or "Title IX" violation complaint, should immediately contact his/her counselor or vice-principal

### Identification Card/Student Body Card

Student Body Cards (I.D.) cards are required to access student accounts, the library (book checkout and computer usage), cafeteria food purchase, travel during PAWS, and for some extra-curricular activities.

Students are provided a printed I.D. card. Students are also encouraged to download the Minga application on their electronic devices so they have access to their I.D. card even if the card is lost. ID cards may also be accessed online at <https://minga.io/>.

Open period/off campus stickers will be issued and affixed to the backside of the I.D. cards and will be available on the digital ID as accessed through Minga.of students enrolled in college courses, and early dismissal for travel off campus.

#### Replacement ID Cards

Replacement ID cards can be purchased from the student accounts office for \$5. Students who cannot afford a replacement ID will need to report to their assigned Assistant Principal.

#### False ID's

Any student presenting an ID which is not their own or an ID from a previous school year will be considered in violation of the ID policy and face progressive discipline.

#### Non Discrimination and/or Sexual Harassment Complaint Process

The Governing Board is committed to providing equal opportunity for all individuals in education. District programs, activities, and practices shall be free from discrimination based on race, color, ancestry, national origin, ethnic group identification, age, religion, martial or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. (EC 200, 220)

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits sexual harassment of students at school-sponsored or school-related activities. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment. (BP 5145.7)

A complaint concerning unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged discrimination, harassment, intimidation, or bullying occurred, or six months from the date when the complaint first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. However, upon written request by the complainant, the Superintendent or designee may extend the filing period for up to 90 days. (5 CCR 4630)

The following compliance officer shall receive and investigate complaints and shall ensure district compliance with law: Assistant Superintendent, Human Resources

1965 Birkmont Drive Rancho Cordova, CA 95742 (916) 294-9025

#### Parking

Sales will begin on Dog Walk Day on a first-come, first-served basis. A parking permit does not guarantee a parking space; it only grants a right to park on campus. Please remember that DMV

requires teen drivers to have their license for one year before being allowed to transport young passengers without an adult in the car. See the DMV website for exceptions to this law based on transportation issues. Parking violations may be issued to any vehicle parked in a non-student permitted area on campus. Fines for violations range from \$10 to \$30 and may include a loss of parking privileges for the remainder of the school year. Unpaid parking fines are treated the same as all other student debts. All vehicles on campus are subject to search without cause; students are responsible for any items found in their vehicle—drugs, alcohol, tobacco and weapons on campus will result in suspension and/or expulsion. The school district is not responsible for any damage to or theft of a vehicle or its contents while parked on campus. Students should not leave any books or items that will be needed during the school day as students are not permitted to be in the student parking area during school hours without administrator permission. Parking on campus is a privilege, not a right. Your Parking Permit may be revoked at any time for, but not limited to, the following reasons: • Leaving school grounds without permission. • Any behavior or action that results in an off-campus suspension.

#### Disciplinary Actions:

1st Parking Violation: Warning

2nd Parking Violation: \$10 Fine.

3rd Parking Violation: \$30 Fine.

4th Parking Violation: \$30 Fine & Revoked Permit

Vehicle may be towed at owner's expense if parking lot violation occurs.

Any materials posted on campus shall be school-related and must be approved and stamped by an administrator prior to posting. Only BLUE masking tape may be used. Scotch tape or duct tape is not allowed. All items must be posted only in areas of the school that are not visible from the street.

#### Rallies, Assemblies & Dances

Rallies and assemblies are held to promote events and school spirit and are provided for the enjoyment and benefit of the students. Teachers accompany their classes to assemblies. Students are to be on their best behavior and give full attention to performers. During rallies, students are to sit in designated areas and follow the cheerleaders, staff members, and directors. Students who do not display proper manners may be removed from the assembly and may be prohibited from attending future assemblies. Electronic devices are to be turned off and placed out of sight during rallies and assemblies. Please note: no gum, food, or drinks are permitted in the gym or theatre.

Inappropriate dancing/behavior or attire will lead to removal from the dance; tickets will not be refunded. Gum, mints, water bottles, perfume bottles, cologne bottles, and other items deemed as inappropriate will be confiscated at the door.

#### Saturday School

Saturday School may be assigned to students who are in violation of the school's attendance or discipline policy, including but not limited to truancy, unexcused absence, closed campus violation, and excessive lates and tardies. Students will be informed and a letter mailed home to parents stating the Saturday School date. Saturday School will be held in the library. Saturday School typically meets one Saturday per month at Folsom High School from 8:00 AM – 12:00 PM. Failure to attend Saturday School may result in suspension from school for defiance.

### Skateboards/Skates/Bikes

### Social Events

Social activities and dances are for Folsom High School students. Other students may be admitted in some cases if a guest bid is secured prior to the function, and, based upon attendance and discipline, is subject to the discretion and approval of school administration. Since the Folsom High student is responsible for his/her guest's actions, Folsom High students should inform themselves and their guests of the following rules pertaining to school activities:

1. Your Folsom High School I.D. card, printed or on Minga, is required for admission to all social events.
2. You must remain in the event. If you leave, you will not be permitted to return.
3. All students and guests must exhibit acceptable behavior or they will be asked to leave.
4. Breathalyzer tests may be utilized randomly at any time upon entrance or during a school activity. All school rules are in effect at school activities. Students who do not comply with these rules may be removed from the activity, and may be restricted from future social activities, and/or may be suspended from school.

### Telephone

Students shall obtain permission from school personnel to use school telephones for any calls. In case of illness or emergencies, students may use the telephone in the office after securing approval from office personnel. Except in the case of an emergency, students are not excused during class time to make telephone calls. Cell phones are never to be used during class time unless directed by a teacher.

### Tobacco-Free School Policy

Effective July 1, 1995 – It is the intent of the Folsom Cordova Unified School District Board of Education to comply with State Law (AB 816). Therefore, the use of tobacco products is prohibited at all times on district property, in district vehicles, and within 1,000 feet of campus. This prohibition applies to all students, employees, visitors, and other persons (District policy 1115).

### Visitors

To provide for the protection and safety of students, teachers, employees, and school property, all visitors (non-students) are required to register in the reception foyer of the administration office at the time of arrival and departure. In accordance with the closed campus policy and in an effort to preserve instructional time for students, classroom visitations are not permitted. Should you have any questions, please contact the school's office.
