1. Chromebook Logins
Student Chromebook Login

Student Username Format

- **wmerocks@student.fcusd.org**

- Login information was emailed to parents

- If you did not receive your login information
  - Contact your child’s teacher OR
  - Submit a help request at www.fcusd.org/tech
Logging into the Chromebook

Enter your username and password when prompted. Make sure you type the entire username and password.
2. Google Classroom
When students are logged into the chromebook, and their Google Chrome is open, they will see 9 squares together like a “waffle” in the upper right hand corner.
- Select the 9 square button.
- Then, select Google Classroom.
- Students will see their Google Classroom tile.
- Click the tile to access your child’s class.
Here is a helpful link on how to navigate Google Classroom
3. Clever
What is Clever?

- Clever is an app where your child will access curriculum and other programs/apps that teachers will use.
- Several tabs will launch when your child logs into their Chromebook.
- One of the tabs will be clever.
- Their username may auto populate, if it does, click on their username then enter their password when prompted to.
Once Clever is launched, it will show your child many icons. Students will select which icon they need to access.
4. Best Practices and Reminders
Start that Chromebook up!

- Your chromebooks have been off all summer....
- Please charge your Chromebook and make sure it is updated.
- Chromebooks need a reboot just like us after a long time off!
- **How To Update** - (Credited to Vista)
What programs does my child need to use?

- Your child’s teacher will tell you what programs they will be using throughout the year.
- Every child at CVE will be doing their synchronous (live) sessions through Microsoft Teams.
5. Troubleshooting
If you do not see the 9 dot “waffle” in the upper right hand corner of your child’s Google Chrome....you will type classroom.google.com in the search bar.
What if Clever does not launch?

1. Go to the Cordova Villa website - **CLICK HERE**
2. Find “Additional Links” along the left side of the webpage.
3. Find and Select Clever
4. Select Login with Google

5. Type your username and password OR use your Clever badge to sign in.
