

Mitchell PE Hybrid Plans

Ms. Atwood
Mr. Collins
Mrs. Idrogo
Mr. Smith

Daily Plan

- Teachers will be in assigned teaching space, rotating every few weeks. Schedule will be posted in a common area and reminders to students about where to meet
- In person students will arrive to designated space
- Students at home, whether hybrid or distance learning, will log on to Teams at the start of class
- Attendance will be taken and assignments for at home students will be reviewed
 - This will take place within the first 15 minutes of class
- Teachers will log off Teams and in person students will go outside to their designated activity location for the rest of the PE period
 - Students will bring all of their belongings with them
- When class is over, students will travel to their next class and teachers will go back to indoor teaching space

Safety

- All students and staff are to wear a mask at all times while on campus
 - Exertion levels of activity will be moderate as students cannot remove their masks
- Everyone is to be 6 feet apart
- Drinking fountains will not be available. Please bring a water bottle. Filling stations to be determined.
- Students will be required to come to school dressed in clothing and shoes that are appropriate for outdoor activity. We will only be inside if it is unsafe to be outside.
- Locker rooms will be off limits.
- Students and teachers must follow their entrance and exit paths to prevent crossing into other classes.

Safety

- No gathering together.
 - Students cannot run or walk with a buddy or in groups. Students cannot “hang out” during other game play.
- If equipment is used, it must be sanitized after each class.
- While at attendance locations, students are to remain on their assigned spots.
- Student belongings need to be spaced appropriately to avoid crowding when they put them down and pick them up.
- Teachers and classes may not team up. This will increase the amount of possible quarantines and create a contact tracing issue.
- Plan to be outside for a majority of the class period.
 - If outdoor spaces are not safe for participation, students will remain in their designated teaching space for the period

What Will Students Be Doing?

A/B Students

- While in person:
 - Meet at designated classroom space
 - Outdoor activity
- While at home:
 - Meet on Teams
 - Independent work on assignments
- Office hours available to support students with questions

D Students

- Log on to Teams at the designated time
- Work on assignments independently after in person group logs off
- Office hours available to support students with questions

Email your teacher if you do not make it to the TEAMS meeting for attendance purposes

Equipment

If chosen to be used by your teacher:

- Students will not share equipment that is used with the hands.
- Using feet to pass a ball from student to student is ok.
- Using an implement to pass a ball is ok if every student has their own implement.
 - i.e. Lacrosse, Hockey, Tennis, Speedminton
- All equipment must be sanitized at the end of each class.

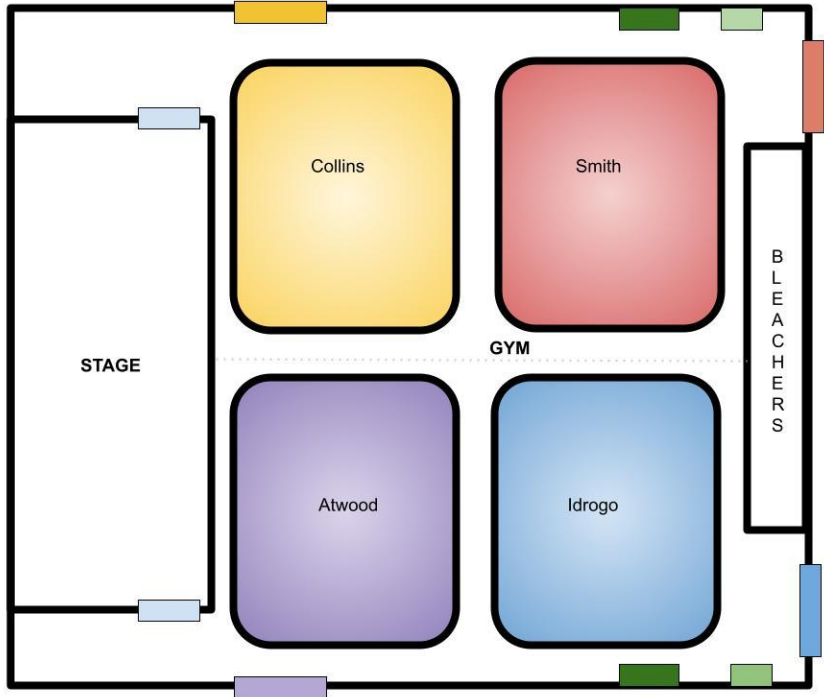

Teaching Spaces

On a rotating basis, the following teaching areas will be the starting point for classes. This will be communicated to the office, posted in google classroom, and in the classrooms.

The Gym	P3	Science Lab 1	Aux Room
---------	----	---------------	----------

Gym Entrance and Exit Plans

Look for posted signs
Ask questions if unsure

- Enter and exit through the marked doors for your specific teacher
- Restrooms in the gym will be used one at a time with permission from teacher
- Floor markings are to be followed

Personal Belongings

Students are responsible for their own belongings.

- Items of value are suggested to be left at home
- If students have expensive items (for example: cell phones) they may be in the students' pocket during PE
 - PE teachers may allow students to listen to music during PE class if the activity permits

Office Hours

Any Questions?

WEDNESDAYS: 1:15-1:45

Purpose:

To support all students, especially full Distance Learning students:

- All PE teachers will have a Teams meeting open to meet with students.
 - Link will be in google classroom
 - Join This TEAM please!
- Help with assignments, asking questions, reviewing work, etc.
- Other times may be arranged individually during asynchronous time

**Hurdles will come
up, we will get over
them together.**
