September 21 - October 23, 2020

What is the Fox Fund?

The Fox Fund replaces traditional fundraising (i.e. selling candy, gift wrap, etc) by having families directly donate a monetary amount. **100%** of each donation is put directly back into the classroom and student-focused events. Each year the fund must be replenished in order to continue to enhance the quality of education at Folsom Hills.

What are the funds used for? While this year looks different with distance learning, the Folsom Hills PTA is excited to continue to support our teachers and fund a wide variety of school-wide programs for our students.

Half of Fox Fund donations go directly back into the classroom by providing teachers with grants to more personally enhance all students' education at Folsom Hills.

Continued programs supported by the Fox Fund: Ceramic Arts, Project Lead The Way, Spelling Bee, and Teacher Appreciation.

2020-2021 school year: Computer program subscriptions to enhance distance learning (Brain Pop, BookFlix), TIDE (Teaching Inclusion Diversity and Equity), and outdoor tables for when we return to campus!

What are the incentives for donating?

Besides the satisfaction of knowing that your donation will enhance your child's educational experience, we have some fun additional incentives for donations!

Charms: For a donation of any amount, your child will receive a charm for their mileage club necklace. Returning families know what a big deal this is :)

Prizes: Every donation of \$50 or more will be entered to win a prize. We will randomly draw names every week for a chance to win spirit wear or one lucky student will win an iPad mini.

Contest: The competition is on! The class with the highest percentage of students that donate will receive a free ice cream sandwich from Handel's.

Pie: Would you love to see Mr. Lundberg take a pie to the face?! If we meet our goal of \$18,000 to fund all programs it will happen for all to see...virtually, of course.

Who can donate?

Everyone! Family members, friends...and don't forget about matching grants from employers.

Is my donation tax deductible?

Yes! The Fox Fund is a 501(c)(3), making your donation 100% tax deductible.

My company has a matching grant program, does Fox Fund qualify?

Yes! Intel, Micron, HP, Wells Fargo, Apple and others match parent donations each year.

If you donate through BENEVITY or another employer matching site please submit a copy of the receipt to your (youngest) student's teacher with all of your children's name(s), teacher(s) and grade(s). Thank you!!! These matching donations really add up!

How much should I donate?

Every contribution, in any amount, helps in the goal of enhancing our students' education. Our hope is to have EVERY family participate - be it any size donation. We estimate the cost of enrichment activities this year to be about \$50 per student. We understand not everyone can hit this goal and encourage any donation.

When can I donate?

Anytime, all year long! However, we host our drive in the beginning of the school year, September 21- October 23, to create our budget for the year. Incentives are only given away during this time.
