January 16, 2024

Dear Future High School Families,

We are excited for you and your student to transition into high school for the 2024-2025 school year. In preparation, this letter is to inform you of the important timelines, resources, and details you will need to navigate the enrollment/course selection process.

8th grade students are assigned to their home high school based on their address or approved school choice application. If you have questions regarding which is your home school, please visit [this link](#).

In order to be ready to start high school in the fall, each student will need to complete enrollment as well as course selection.

The **enrollment window** for all FCUSD students for 2024-2025 is March 1-March 31.

The **course selection window** for the class of 2028 is March 1-March 5

What must be completed in order to enroll my student for high school?

Enrollment is completed when the parent of the student logs into the PowerSchool parent portal (infosnap) and updates and submits all student information. This task is required by the FCUSD district office but school sites are ready and happy to assist you with this step if needed.

How does my student select courses for 9th grade?

Course selection is a two step process that requires the student to enter student course requests into PowerSchool and submit a course selection form that reflects their course choices. **Proof of Residency will also be required** at the time of course selection. The two high schools will collect this information from students differently. Please see below.

Submitting incoming 9th grade Course Selection Form and Proof of Residency

- **FHS**-hard copy will be collected during counselor visits in March
- **Vista**-submitted via Google Form during course selection window

We have the following events planned for students and parents:

FRESHMAN PARENT ORIENTATION NIGHT

Folsom High School:

- **"So You Want To Be A Bulldog"**- February 6th beginning @ 5:30 p.m. We will offer two sessions. Please visit the Folsom High website for more information and a schedule for this night.
- **FHS Registration Navigation Presentation** -February 7th @ 6:30 pm FHS Theatre

Vista del Lago High School:

- **Incoming 9th Grade Information Night**-February 27th @ 6:00pm Vista Large Gym

HIGH SCHOOL COUNSELING DEPARTMENT PRESENTATIONS

Counseling departments from both schools will present information at the middle schools in student classes during the last week of February and first week of March.

HIGH SCHOOL COUNSELORS VISIT MIDDLE SCHOOLS

High School counselors will visit the middle schools to meet your student and discuss course choices and answer student questions second week of March

Please watch for more specific course selection resources in a future communication. We are looking forward to seeing your student in high school next year.

Kind regards,

Mr. Howard Cadenhead and Dr. Kimberly Moore
