One less thing to worry about when school starts

***We strongly encourage you to go on-line to purchase your yearbook.***

If you prefer to pay by check please put your child’s name and advisory teacher in the memo line and make checks payable to Folsom Middle School. Please drop the checks off in the front office and the accountant, Ms. Ropp will process the checks. Receipts will be written and sent to your child’s HR teacher. Books will not be for sale after Feb. 19, 2021. Please don’t contact the school or the adviser to ask about more books being printed. Books are not for sale after the deadline. Jostens has sent some extra books in the past but don’t expect them especially due to the pandemic.

**Business Ads**

If you would like to place a business ad in the back of the yearbook, the cost is $50 and they will be business card size. If you would like to purchase a business ad, please email Ms. Aquila a full color JPEG image of your business card to laquila@fcusd.org. Checks need to be made payable to Folsom Middle School and turned in to the front office or to the student accounts clerk.

**FMS yearbook needs your photos.**

Please encourage your child to check their FCUSD email daily when we are in school. The icon is the red M that usually stands for gmail. The icon is next to the drive and classroom icons when students are logged in with FCUSD credentials. The only way to gather photos due to COVID-19 is through a link created for FMS yearbook. Ms. Aquila, yearbook adviser, will be emailing students information. Students will be taking surveys for the yearbook and submitting photos online. We can’t use photos taken by professional photographers. Don’t submit those photos please.

Please include first name, last name, grade level, description (topic Ms. Aquila is requesting photos for and click the box giving us access to use the photo in our book. Link is for current FMS students only. Thank you for participating.
