Tasks will be assessed one of three ways:

1. Comment Only – Complete, Partial, Incomplete, Missing, Excused
2. Points – Points out of a total, like a quiz or worksheet assignment.
3. Criteria – using a rubric, where achievement ranges from zero to 8.

Parents can monitor their student's progress by logging into Managebac on a regular basis and checking to make sure their student is completing their work. If you have questions about specific classes or tasks, you can contact the teachers directly. Email is usually the best way to communicate.

For information on how letter grades are calculated every quarter, please see the Assessment and Grading page under the IB/MYP tab on our school webpage. You can use the following link: <http://www.fcusd.org/domain/3590>.
