

Trade Plan (this is your first assignment for the stock project)

Instructions: Type up an investing plan for the stock market competition. This plan should be double spaced and a minimum of ½ a page in length.

Some factors to consider when devising your plan include...

- Companies you plan on buying
- Sectors you may follow & or invest in
- Why you chose the companies or sectors you listed above
- What media or person you will use in order to get info about your investments
- How will you know when it is time to buy / sell a stock?
- How often will you check your account?
- What method will you use in order to follow your account? (Cell phone, home computer, school computer)

USE THE ATTACHED DOCUMENT FOR ADVICE ON WHAT TO INCLUDE IN YOUR PLAN...

Turn this assignment into google classroom on the due date. Hold onto this assignment as it will also need to be included in your final stock project portfolio.
