High School Enrollment/Course Selection

The high school enrollment/course selection window opens today, **February 1st and closes February 19th**. Please take advantage of all of the resources provided below. The same priority for courses will be given to all students who submit by the February 19th deadline.

The following are steps you will need to complete to enroll your student for high school next year:

1. Complete the PowerSchool online registration (InfoSnap)
2. Enter student course requests into PowerSchool
3. Submit Incoming 9th grade Google Form (*This process includes uploading 3 proof of residency documents.*)

**Although the online process is preferred, hardcopy/paper packets are also available at your current middle school. These must be returned, with all required documentation, to your future high school by February 19th.*

Instructions and resources for completing the three steps can be found at the links lists below:
