Directions for completing this step

- Log onto your PowerSchool Parent Account
- Select "Student Registration" on the left hand side of the screen.
- Current student information will be displayed. Make changes/additions if applicable and submit.
- Once submitted you will no longer be able to edit your student's information.

Step 2: Complete the online Elective Selection form to choose your child's elective. The form will be accessible on the SMS website **March 1st-March 8th**.

REMINDER:

- If you have moved, you must bring in a bill with your new address on it to the office. If you no longer reside within SMS boundaries you must submit a school choice form.
