

Cordova High School Athletics

Dear Cordova High School Sponsor:

We are looking forward to a great year at Cordova High School! We hope our community continues to recognize the value our sports programs have in the life of our student-athletes. Please support our efforts both on and off the field of play by becoming a sponsor by purchasing a banner that we will display at one of our athletic events.

Donations such as yours are important as we continue to strive for and build on the successes of all our athletic teams. We are offering individual or yearlong sponsorships that will provide your business with great visibility and marketing while receiving a tax write off! Please see the attached Athletic Sponsorship form.

Your support will help Cordova High School Athletics become self-sufficient and stronger in the area!
