

Hello Lancer Families,

This is a message from Principal Hyden regarding important information for the start of our upcoming school year. With the most recent Statewide Public Health Order issued by the California Department of Public Health, the Folsom Cordova Unified School District will begin the school year in *distance learning* – a term that has become widely characterized for “at-home” learning. Unlike this past Spring Semester which took us all by surprise, our faculty has continued to collaborate around planning a comprehensive schedule for students which balances teacher instruction while being mindful that students are not expected to be online for 8-hours each day. Our top priority continues to be the safety and well-being of our students and faculty as we look to support students academically through each of their courses. As many of us, including myself, have school-aged children; we understand the demands distance learning puts on our families and are working diligently during this unprecedented time in education.

With the FCUSD Special Board Meeting taking place tonight (Monday, August 3<sup>rd</sup>), we are hopeful our Cordova High School Bell Schedule and Instructional Calendar will be approved. Once approved, I will be following up with another email attachment and posting on our [CHS Website](#) for further review.

Please see below for other pertinent information:
