

RUSSELL RANCH
PHYSICAL
EDUCATION

August 30, 2015

Dear Parents,

Welcome back to a new year of Physical Education at Russell Ranch! I am very excited to be teaching at such a great school. There are many games and activities planned this year in P.E. to help your child develop motor skills, social skills, and improve fitness. Throughout all of the activities, effort and participation are emphasized. Natural athletic ability is not required to be successful in P.E. The majority of activities are noncompetitive, but some competitive games are played in the upper grades as a method of teaching sportsmanship and teamwork.

In order for your child to be safe and successful, it is important that he/she wear athletic shoes on the day of P.E. Sandals, boots and anything with high heels can lead to injury and it keeps children from doing their best, so they should not be worn in P.E. class. Please check with your child as to which days he/she has P.E.

Thank you for your support to make your child's experience positive and successful in Physical Education. I really enjoy teaching the students at Russell Ranch and want them to achieve as much as possible. If there is ever an illness or injury concern that limits physical activity, please send in a note to advise me.

Thank you,

Todd Krewson
Physical Education Teacher
