Thank you for volunteering at Riverview STEM Academy! Please follow this procedure to become a volunteer at Riverview STEM Academy:

1. Read the Volunteer Orientation Handbook online at: <http://www.fcusd.org//site/Default.aspx?PageID=2266>. You may also request a copy to read in the school office.
2. Obtain a TB Test and make a copy of the results.
3. Complete the attached forms: Category Volunteer Application, and Volunteer Agreement Form.
4. Bring those two forms and a copy of your cleared TB Test Results to the school office. The office will keep this and contact you when you need to renew your TB Test.
5. Once Principal Tony Peterson reviews the documentation and signs the Volunteer Agreement Form, the office will contact you to pick up the forms and you will bring them to:
