K-5th Grade Magnet School
Science, Technology, Engineering, and Mathematics

APPLYING FOR 2023/2024 GRADE:

K 1 2 3 4 5

Student Name: (Provide Legal Name as per Ed. Code 48002)

Last Name:		First Name:		MI:
Date of Birth:		Please Check: Female <input type="checkbox"/> Male <input type="checkbox"/>		Current 2022-2023 Grade:

Parent/Guardian/Legal Caregiver Information:

Last Name:		First Name:		MI:
Street Address:		City:		Zip:
Home Telephone:	Cell Phone:	Work Telephone:		

Email Address:

School Information:

Current School: _____	School of Residence/Home School: _____
------------------------------	---

PROGRAM INFORMATION

- The hands-on, project-based program engages students on multiple levels, exposes them to areas of study that they typically do not pursue, and provides them with a foundation and proven path to college and career success.
- Provides engineering design process and inquiry-based real-world problem solving learning in STEM.
- Provides the introductory and foundational STEM courses aligned with the Next Generation Science Standards.
- Stimulates student interest in “wanting to” rather than “having to” take further STEM related courses.
- Bridges and connects in-school and out-of-school learning opportunities.
- Extends and enriches instruction in grade level standards by adding depth and complexity through a variety of learning opportunities and alternate curriculum.
- It is not our goal to have the students do more homework; we want homework to be developmentally appropriate and we encourage a balance between school-based learning and extra-curricular activities.
- Students will have access to the same grade-level core curriculum found in all FCUSD schools with emphasis on a year-long STEM program through the use of Project Lead the Way, as well as other STEM curriculum.

Parent or Legal Guardian Signature: _____ **Date:** _____

Please return to Riverview STEM Academy 10700 Ambassador Dr., Rancho Cordova, CA 95670 or email to: jemccarthy@fcusd.org

Please complete the following questionnaire using examples to describe your child. Be as specific as possible. It is not expected that students will demonstrate all of these characteristics nor is it necessary that they do so. Please use the scale to indicate how much you think each item describes your child. If you would like to share something about your child you think is important but is not on this questionnaire, feel free to attach an additional page.

For Kindergarten Applicants: Please attach a letter of recommendation or progress report from your child's preschool. Kindergarten Readiness assessments will be scheduled at the Parent Information Night.

For 1st-5th Grade Applicants: Please attach your child's most recent report card, with attendance and teacher comments.

1. Shows curiosity and desire for STEM (Science, Technology, Engineering & Math) activities:

Very much Yes Somewhat Not much Don't know

Personal example:

2. Willing to persevere to solve problems.

Very much Yes Somewhat Not much Don't know

Personal example:

3. Enjoys sports or the arts (if so, what?).

Very much Yes Somewhat Not much Don't know

Personal example:

4. Enjoys reading.

Very much Yes Somewhat Not much Don't know

5. Takes responsibility for completing assignments and homework.

Very much Yes Somewhat Not much Don't know

6. Excels at science.

Very much Yes Somewhat Not much Don't know

7. Classroom behavior interferes with learning.

Very much Yes Somewhat Not much Don't know

8. Is self-motivated.

Very much Yes Somewhat Not much Don't know

9. Likes to work on group projects.

Very much Yes Somewhat Not much Don't know

10. Any special recognition, awards or honors please describe below:
