3.7 SRP benefits are scheduled to commence on August 1, 2019.

Eligibility Requirements:

- Eligibility for placement on certificated employees’ salary schedule Class 4 or 5, Step 12.

- A letter of retirement or State Teachers Retirement System Disability Retirement Certificate shall be submitted to the Personnel administrator/designee.

- Eligible retirees will have a choice of any of the District's currently offered health insurance plans, subject to restrictions imposed by the insurance provider or law.

- This coverage is for the retiree only. However, dependent coverage may normally be purchased by submission of the required monthly premium to the District Accounting Office.

- Ten (10) years, or until the retiree reaches age 65.

- The retiree will have the opportunity to continue participation in his/her chosen program after District sponsored program lapses, by means of paying his/her own premiums, subject to restrictions by the insurance provider or law.

- The term "Eligible Retiree" shall be defined as a unit member who meets the current STRS eligibility requirement for retirement or disability retirement at the time of his/her retirement from the District.

- The District's payment for these benefits shall be limited to the "CAP" insurance amount in effect at the time of unit member's District-accepted retirement.

- Retirees under the age of sixty-five (65), who reside outside of their health plan service area, may receive an amount of money equal to the cost of the least expensive retiree health plan. This money will be in lieu of participation in one of the District's currently offered health insurance plans and will not exceed the CAP amount at the time of retirement. This option will be retroactive on an individual basis for employees who retired within the last sixty (60) months.
