## WHY JOIN THE FHS PTSA?

*“Is the PTSA really relevant? Don’t you guys just run bake sales and sell magazines?”*

**Not only are we relevant, sometimes the PTSA is the difference that takes Folsom High from a good school to a great school.**

It’s no secret that for years now, we have lacked adequate funding to provide some of the educational experiences our children deserve. What you may not know is that, with the generous support of parents and staff, the PTSA has been making a difference by sponsoring and funding programs that impact EVERY child in this school, throughout their entire high school experience.

Each and every one of your children - from a freshman to a senior – continues to benefit from PTSA programs. We sponsor programs starting with the Freshman Kickoff – a unique program designed to ease that difficult transition to High School - all the way up to Sober Grad Night, the final, memorable evening of your child’s high school experience. With limited counseling resources available at FHS, the PTSA has stepped in to offer SAT and ACT practice tests throughout the year as well as High School Transition and College Planning evenings for parents.

The PTSA is making a difference in the classroom too. From textbooks to Lab equipment, from the clubs your student joins to the crackers they get from the nurse’s office on that day they just didn’t feel well, the PTSA is there to help.

So, **become a member**. The \$10 membership fee is one of our key sources of funding AND you will automatically be on our mailing list to receive relevant information and updates.

**Volunteer** – we always need help. There are opportunities from a couple of hours chaperoning a school dance or helping with Spirit Wear to major involvement as a Board member.

**Support our fundraisers**, including our Fall Buck\$ for Bulldogs and our Spring eBash Online Auction. Take the time to attend our programs.

Your student’s education will be better for it.

### **Additional PTSA Supported Programs**

- Financial Support for Academic Programs
- Student Rallies
- Club Stipends
- “Every 15 Minutes” Program
- College Perspective Nights
- Reflections Fine Arts
- Folsombration
- Scholarships
