

## Chromebook Distribution Schedule

Dear EOE Families:

All students will receive a district-supported chromebook this year. If you have a Chromebook from the spring and it is working, please keep it. If there's a problem, bring it in and we will replace it. This distribution schedule is by your child's last name as entered in PowerSchool. Chromebook distribution will take place in front of the multi. Please pull up in your vehicle, loop around, and remain in your vehicle. We will get your child's name, assign a chromebook to them, and bring it to you. You are also welcome to bike or walk to the multi. If you do so, please be sure to wear a mask and follow social distancing guidelines. Please arrive within your assigned time so that we can be sure to allow for a quick and safe distribution of chromebooks. If you cannot make your assigned time, please email or call us to set up an alternative appointment.

Thank you!
