

Coaches Please Share this information with your parents, AD, Boosters, and bus drivers for directions to The Clarke Massey Relays with all the construction at CHS.

Lancer Lane is open! You no longer have to go through the park.

Please drive down Chase Drive, Past Cordova High School, just past the Performing Arts Center ( big two story building) you will see Lancer Lane on the right before the park

Please have buses drive down Lancer Lane (the park will be open but the traffic is only one way down past the Stadium). They will drop teams at the Stadium then leave through Hagen Park and they will park in front of the School not by the tennis courts or stadium. Busses are to take two Parking spots pulling through parking perpendicular to the school and taking up two car spots not parallel taking 3 spots ...

Let your parents know that parking is limited at the Stadium. (Following Lancer Lane) If parents are dropping off athletes have them do what the buses are doing and drop in front of stadium then drive around through the park. Tell them not to park in Hagen Park or they will be Charged by Park District!!!

No popup tents below the top of the bleachers or in front of the Press Box!

Athlete gate and spectator gate will be at the same place they were last year ... Please tell your athletes to be in uniform or they will be charged to get in.

Admission into the Meet is Adults - \$6.00 / Students and Seniors - \$4.00

Snack Bar opens at 9:30 am

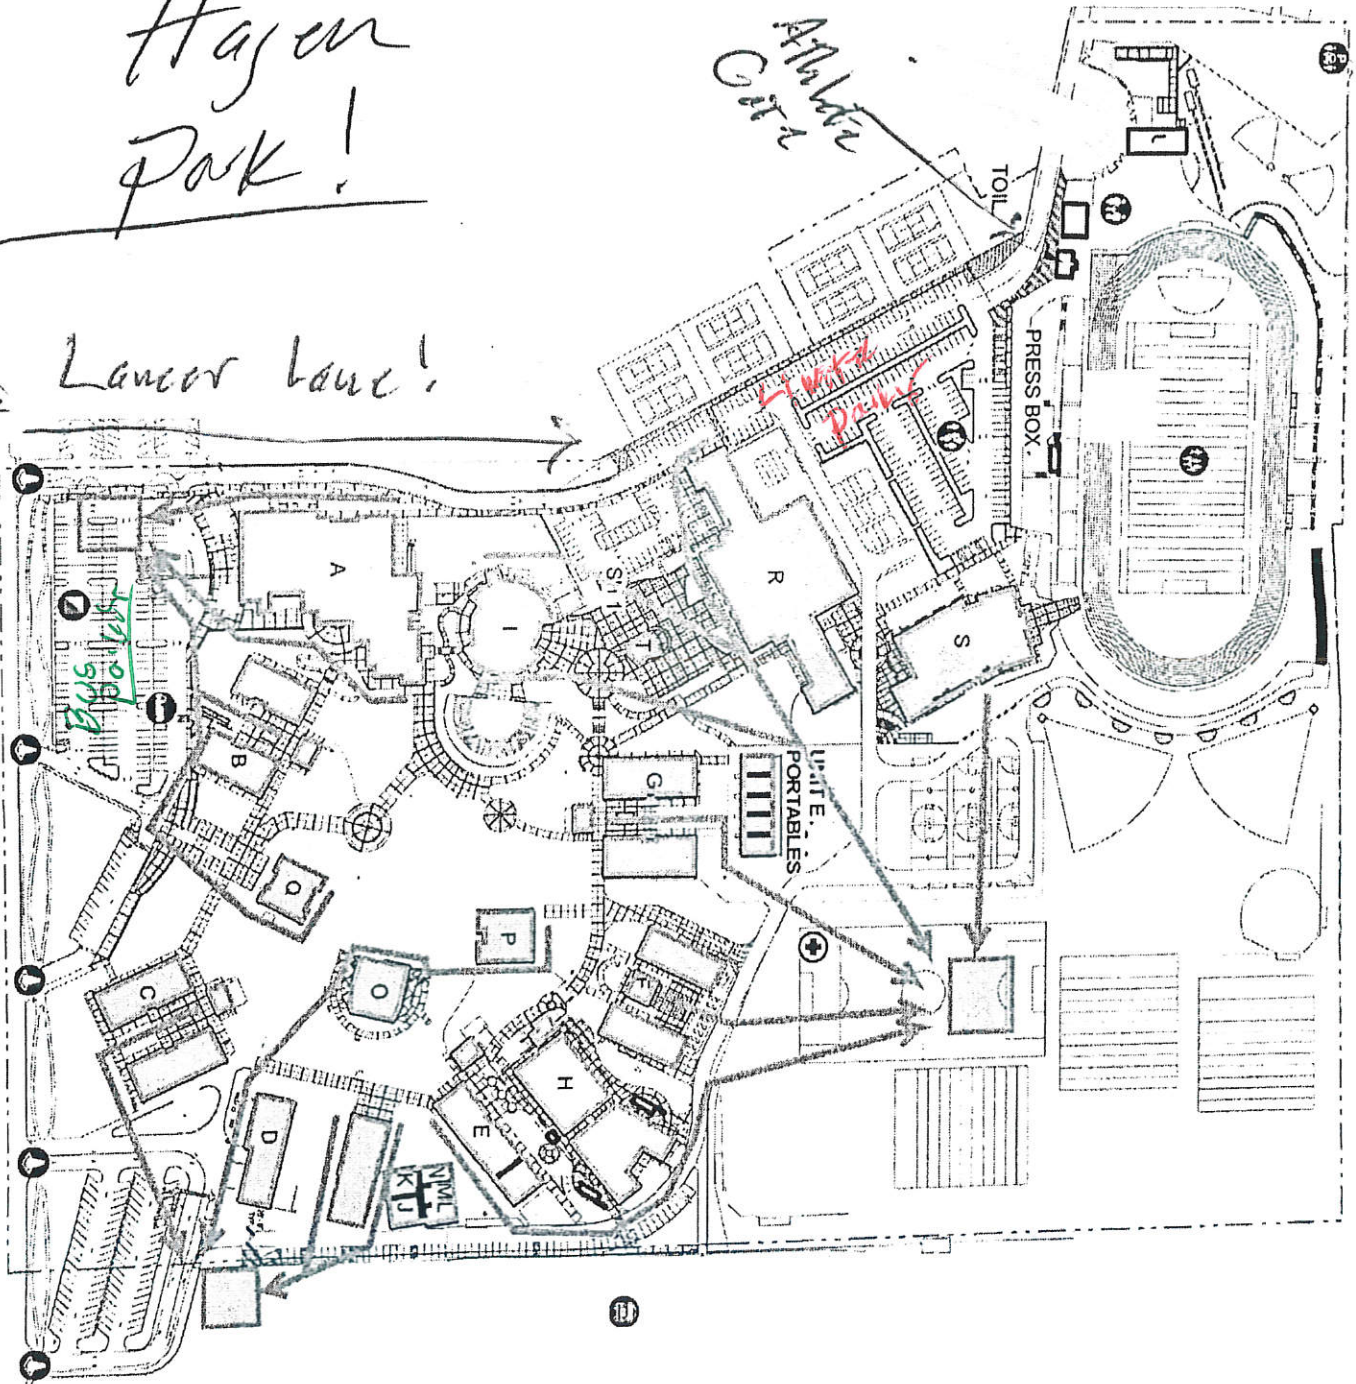

Map of School included with this packet...
