

School Vision and Mission: Natoma Station Elementary School Vision and Mission Statement

The vision of Natoma Station Elementary School is to encourage lifelong learning, to help students reach their full potential, and to teach students to make positive contributions to their community. A focus on building positive relationships amongst staff and students to promote lifelong self-efficacy through an emphasis on culture, climate, coherence and maximizing student engagement will help build a school where students and staff grow and learn together.

Natoma Station Elementary School embraces the Folsom Cordova Unified District's vision statement, which states:

Guided by the highest expectations, Natoma Station and the Folsom Cordova Unified School District provide our students with a broad range of rigorous educational opportunities. Staff enables students to reach their full potential and successfully meet the demands and opportunities of a highly technological 21st Century.

By focusing on the foundational school years from grades kindergarten through fifth, Natoma Station Elementary will start students on the path so that they can eventually graduate with a core of knowledge and skills that become the building blocks for lifelong learning. They graduate with a positive attitude and the leadership, character, and academic skills necessary to excel in a global arena. Families are an integral part of the educational process. In recognition of this important role at Natoma Station Elementary School, family involvement is actively sought, encouraged, and welcomed.

Business and community partnerships greatly enhance students' learning experiences and educational opportunities. Partnerships offer students opportunities to apply their learning to real-world situations. At Natoma Station Elementary School, the administration and staff actively seek community partnerships in order to enhance and amplify students' educational experiences.

Schools serve as community hubs, places where the community gathers to celebrate and improve learning and to enjoy art, music, sports, public speaking, drama, and other school-related activities. The use of school facilities by the community at Natoma Station Elementary School is encouraged. School facilities are a reflection of the entire community. We provide students with the educational tools to meet the technological demands of the future and the social skills to function in a culturally diverse society.
