Good Day OC Families!

## Highlights from this Past Week:

I hope everyone had a wonderful winter break and had some time to fully relax. This past week, the staff and students went right back to work and are ready to continue with our normal Hybrid (in-person) and Virtual Academy (DL) formats next week. We appreciate your cooperation in continuing to follow health and safety protocols as we move forward.

## Social Emotional Learning (SEL) Parent Tip of the Week

*"Self-care may be defined by the term itself – caring for yourself. Self-care includes anything you do to keep yourself healthy – physically, mentally and spiritually. Although prioritizing self-care may sound like common sense, especially if you're considering longevity, it's often the first thing to go when we find ourselves in challenging situations. This is why it is important to keep it top of mind and not an after-thought, especially when we find ourselves in challenging times.*
