Principal's Weekly Message
November 13, 2020

Good Day OC Families!

Highlights from this Past Week:

These last 2 days have been so uplifting as our OC Dragons walked on to our campus for the first time. Thank you to the OC Team for all their hard work in preparing for our Hybrid/Virtual Academy model. We also appreciate all our families for supporting our Health/Safety measures; it absolutely takes our entire OC community's effort to make all of this work for our students and staff.

Weekly SKORR Challenge: This upcoming week's challenge is to practice **Being Grateful**. [Click here](#) for the activity.

Social Emotional Learning (SEL) Tip of the Week

Social and emotional learning starts at home. Parents and families are critical partners in helping their children develop social and emotional know-how. They can model the kinds of skills, attitudes, and behaviors we want all students to master. Here are some activities you can practice with your child(ren). [Click here](#).

Food for Thought:

As we have students entering and leaving our campus each day, we expect our families to **slow down when entering our parking lot areas, make full stops, only 'drop-off' near the Dragon Drop-off by Student Care, and keep a watchful eye out for pedestrians**. Parents, we ask that you reiterate with your child(ren) the importance of **using crosswalks (not crossing through parking lots), and sidewalk safety (walk bicycles/wear helmets and masks when on campus)**.

The safety of our OC students and staff outweighs any personal stances on masks, social distancing, and parking lot etiquette. We appreciate EVERYONE's cooperation. "A relationship means you come together to make each other better. Support each other. Build each other. Believe in each other. Be their peace, not their problem."

On the Horizon:
