**W.E. Mitchell Middle School
An International Baccalaureate World School
Middle Years Programme (MYP)**

An Overview of the MYP

W.E. Mitchell Middle School has been an authorized IB World School since August 2015. As of September 2021, there were 7,400 schools who offer these world-renowned programmes.

Three Fundamental Concepts of the MYP

“The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world” (IBO.org).

- A Holistic/Global Education
- Communication
- Intercultural Awareness

Characteristics of the MYP

- Conceptual Understanding - using content to teach big concepts and ideas
- Student centered and inquiry- based instruction
- Fostering intercultural awareness through six global contexts

Approaches to Learning Skills

The IB's Approaches to Learning Skills (ATLs) are a unifying thread throughout all MYP subject groups. These skills provide the foundation for independent learning, learning with others, and encourages the application of students' knowledge and skills in unfamiliar contexts. Developing and applying these **social, thinking, research, communication, and self-management** skills help students “learn how to learn.”

Assessment and Grading

Teachers assess student knowledge using formative and summative assessments. Formative assessment guides teacher instruction and gives students feedback on their progress. Formative assessments are not calculated into the final grade. Summative assessments are assigned as a way for students to demonstrate their knowledge and to “show what they have learned”. Each MYP subject area has four (4) specific grading criteria. Each grading criterion must be assessed twice per year. A student's final grade is determined based on their summative scores. Essentially, students will be graded on what they actually know rather than behavioral or compliance assignments.

MYP Courses

All students will take the following: Language & Literature, Math, Science (with Design integrated), Individuals & Societies (history), Physical and Health Education, and **either** an Art **or** Language Acquisition (Spanish) class.

A **FULL MYP** option is available if you want to take **both** Art **and** Language Acquisition classes.

Full MYP Requirements:

- Commit to a zero period (7:25am-8:15am.)
- Set up transportation with the transportation dept.
- Fill out an application available via website/office **Friday, February 4 at 3:00pm.**
- Turn in application to the main office beginning **Monday, February 7 at 8:00 AM.**

(space is limited and will be accepted on a first come, first serve basis)
