

MEET THE TEACHER

ABOUT ME

Hello! My name is Jennifer Jones! I am so excited to be your child's Kindergarten Teacher for the 2021-2022 school year. This is my 26th year teaching! I started my teaching career as a first-grade teacher at Oak Chan here in Folsom. I've been teaching at Gallardo since we opened 17 years ago and have taught grades K-2 with the most time in first grade.

I split my time living in Texas and California. My "home" is in Texas, but I have a permanent/temporary living arrangement here in Folsom too. I used to live in Empire Ranch with my two dogs and a cat prior to building and moving into a new house in Round Rock, Texas in December 2020. I love Disney, especially Mickey Mouse, yard work, working out at Life Time, spending time with family and friends and volunteering at church.

MY CHILDHOOD

I grew up in Merced, California. I was a Brownie and Girl Scout through elementary school. In Middle School and Highschool I played competitive soccer. I played recreational softball and basketball through elementary and middle school. In High School I lettered in Soccer, Tennis and Water Polo.

MY EDUCATION

I graduated from UC Davis with my undergraduate degree in History. I never intended to teach History, but UC Davis didn't offer a Liberal Studies major. I earned my credential and graduated from Graduate School at UC Davis.
