

Dear Kindergarten Families,

I am so happy to welcome you back to school. I am excited to be a member of the Carl Sundahl staff. The teachers and office personnel have been so friendly and welcoming. I'm confident we can make this a joyful and positive learning experience for your child. I'm eager to get to know y'all and get started learning!

A little about me:

I was born in Fresno, California and grew up in Merced, California. This is my 26th year teaching and my first thirteen years were as a First Grade teacher at Oak Chan Elementary. I joined Sandra J. Gallardo when it opened and have taught K-2 through the 2019-2020 school year. I spent last year as an Educational Consultant with the Folsom Cordova Community Charter School. My academic background is History, but I never planned to teach that and "knew" I would be an elementary school teacher! 😊 My folks were teachers/principal/assistant superintendent before their retirements between 2005-2010.

I split my time living in Texas and California. My "home" is in Texas, but I have a permanent/temporary living arrangement here in Folsom too. I used to live in Empire Ranch with my two dogs and a cat prior to building and moving into a new house in Round Rock, Texas in December 2020. I love Disney, especially Mickey Mouse, yard work, working out at Life Time, spending time with family and friends and volunteering at church.

Helping students learn is a joy and passion. Thank you for joining me on our adventure this year!

Blessings!

Miss Jones
