

INTERESTED IN SUMMER WORK?

COVID-19 Notice

COVID-19 has introduced a good deal of uncertainty into all of our lives, and our summer cleaning schedules and protocols are no exception. While the exact schedule and extent of summer work programs remain in flux, we are beginning preparations.

We are now accepting online applications for summer work.
Continue reading for instructions below.

FCUSD will have a limited number of openings for summer work crew. Please note that worker safety will be a top priority and many of our work protocols will be adjusted to reflect this. Anyone considered to be in a health risk category, with possible symptoms or exposure to COVID-19, or anyone who cannot adhere to safety protocols may be asked to stay home to protect other workers and themselves.

Possible summer assignments and duties include:

- Deep cleaning crew (scrubbing, dusting, washing, waxing, furniture moving)
- Grounds work (digging, mowing, weeding)

The pay rate depends on experience and assignment. **We encourage current FCUSD employees to apply!** Applicants with successful previous summer work experience will be given priority.

TO APPLY:

Fill out an online application, available on ***fcusd.org***

Click the link on the Maintenance and Operations department page:

<https://www.fcusd.org/Domain/616>

DEADLINE to apply – May 17, 2020

Please email kelliott@fcusd.org if you have any problem with the online application.
