What is the Natoma Station Educational Foundation?

The Natoma Station Education Foundation (NSEF) is a 501(c)(3) educational non-profit that exists to benefit the students, teachers and parents of Natoma Station Elementary School. NSEF works in tandem with the PTA to raise money for projects and activities that benefit our school.

What does the NSEF do?

Currently, the NSEF funds the School Garden, Green Team and Garden Docent activities. Primary funding comes from NSEF's "Spirit Nights," which are monthly fund raising events at local restaurants. NSEF could do much more if there is interest and a commitment from parents. If you are want to learn more, please join us at our next meeting.
