CAMPUS SAFETY

PROTECTION OF STUDENTS AND STAFF

To provide for the protection and the safety of students, teachers, employees, and school property, the public (except those persons exempted) is required to register in the school office prior to entering or remaining on the school premises during school hours. Signs are posted at each school entrance indicating the location of the school office (place of registration) and penalties for failure to comply. Should you have any questions, please contact the school's office.

EMPLOYEE CODE OF CONDUCT; INTERACTIONS WITH STUDENTS EC 44050; BP 4119.21

The Governing Board expects district employees to maintain the highest ethical standards, exhibit professional behavior, follow district policies and regulations, abide by state and federal laws, and exercise good judgment when interacting with students and other members of the school community. Employee conduct should enhance the integrity of the district, advance the goals of the district's educational programs, and contribute to a positive school climate.

CIVILITY AND MUTUAL RESPECT EC 44811; BP 1313

Folsom Cordova Unified School District staff will treat parents and other members of the public with respect and expect the same in return. The Superintendent is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering school grounds.

Board policy 1313 promotes mutual respect, civility and orderly conduct among Folsom Cordova Unified School District employees, parents, and the public. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe, harassment-free workplace for our students and staff. In the interest of presenting Folsom Cordova Unified School District employees as positive role models to the children of district programs, as well as the community, the Superintendent encourages positive communication, and discourages volatile, hostile or aggressive actions. The Superintendent seeks public cooperation with this endeavor. Any individual who disrupts or threatens to disrupt school operations; threatens the health and safety of students or staff; willfully causes property damage; uses loud and/or offensive language which could provoke a violent reaction; or who has otherwise established a continued pattern of unauthorized entry on school property, will be directed to leave school property promptly by the Superintendent or designee.

NONDISCRIMINATION 34 CFR 104.8, 106.9; BP 0410, 6178

The Governing Board is committed to providing equal opportunity for all individuals in education. District programs, activities, and practices shall be free from discrimination based on race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

BULLYING BP 5131.2

The Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, while going to or coming from school, while at school activities, and while on district transportation. Prohibited student conduct includes, but is not limited to harassment of students or staff, including bullying, intimidation, cyberbullying, hazing or initiation activity, ridicule, extortion, or any other verbal, written, or physical conduct that causes or threatens to cause bodily harm or emotional suffering.

SEXUAL HARASSMENT EC 231.5; 5 CCR 4917; AR 5145.7

The Governing Board is committed to maintaining a learning environment that is free of harassment. Board Policy 5145.7 prohibits the unlawful sexual harassment of any student by any employee, student, or other person at school or at any school-related activity. The District is committed to taking serious, immediate, and appropriate action with respect to violations of sexual harassment policy. Students shall be assured that they need not endure any form of sexual harassment. They shall further be assured that they need not endure, for any reason, any harassment that impairs the educational environment or a student's emotional well-being at school. Should a student believe that he/she has been subjected to sexual harassment, he/she shall file a complaint in accordance with the guidelines outlined under the Uniform Complaint Procedures or with the school principal. Students can be assured that the District will not tolerate retaliation as a result of the filing of a complaint. Any student who engages in the sexual harassment of anyone at school or a school related activity shall be subject to disciplinary action.

UNIFORM COMPLAINT PROCEDURE 5 CCR 4632; AR 1312.3, 1312.4

Folsom Cordova Unified School District has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The uniform complaint procedures shall be used only to

investigate and resolve complaints alleging violations of federal or state laws or regulations governing specific educational programs, the prohibition against requiring students to pay fees, deposits, or other charges for participating in educational activities, and unlawful discrimination, harassment, intimidation, or bullying. A pupil fee complaint shall be filed no later than one year from the date the alleged violation occurred.

A complaint concerning unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged discrimination, harassment, intimidation, or bullying occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. However, upon written request by the complainant, the Superintendent or designee may extend the filing period for up to 90 days. (5 CCR 4630)

The following compliance officer shall receive and investigate complaints and shall ensure district compliance with law:

Assistant Superintendent
1965 Birkmont Drive
Rancho Cordova, CA 95742
(916) 294-9000

Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE. (Education Code 49013; 5 CCR 4632)

The complainant shall file his/her appeal within 15 calendar days of receiving the district's decision and the appeal shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally-filed complaint and a copy of the district's decision. (5 CCR 4632)

A complainant may pursue available civil law remedies under state or federal discrimination, harassment, intimidation or bullying laws outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law

remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

For complaints alleging discrimination, harassment, intimidation, and bullying based on state law, a complainant shall wait until 60 calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies, provided the district has appropriately and in a timely manner apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622. The moratorium does not apply to injunctive relief and to discrimination complaints based on federal law. (Education Code 262.3)

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff. Emergency or urgent threat means structures or systems that are in a condition that poses a threat to the health and safety of pupils or staff while at school, including but not limited to gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff; or structural damage creating a hazardous or uninhabitable condition. (Education Code 17592.72)
3. Teacher vacancies and misassignments

A notice of the Williams Act complaint rights to parents, guardians, pupils and teacher is posted in all District classrooms and available on the District's website at www.fcusd.org.

Folsom Cordova Unified School District's Uniform Complaint policy and procedures are available free of charge and are posted on the District's website at www.fcusd.org, and available in English, Spanish, and Russian.

This notice is provided to students, employees, parents or guardians of students, school and district advisory committees, appropriate private school officials or representatives, and other interested parties.

PERSONAL PROPERTY

The District is not responsible for loss or theft of personal property. Students are discouraged from bringing non-instructional items to school, such as CD players, cell phones, radios, or skateboards, etc. Refer to the student-parent handbook at each school for more specific rules.

All parents and guardians are asked to help prevent vandalism by impressing upon their child the seriousness of destroying school property. Citizens living near the schools are requested to report any acts of suspected vandalism to the school principal or to the proper authorities - in Rancho Cordova call 874-5115, or in Folsom call 355-7230.

Note: The 911 emergency telephone number will quickly summon *emergency service in a crisis situation*. This number may be used to contact the local fire department, sheriff's office, police department, or the highway patrol.

Parents of students who vandalize school property may be charged for the damage incurred.

SAFE SCHOOL ENVIRONMENT

As required by law, the Folsom Cordova Unified School District must allow a student attending a "persistently dangerous" school, or who becomes a victim of a violent criminal offense while in or on the grounds of a school that the student attends, to attend a safe public elementary or secondary school within the District's jurisdiction. (20 USC 791(a))

YOUR RIGHTS AND EDUCATIONAL SERVICES

**RIGHT TO A FREE PUBLIC EDUCATION REGARDLESS OF IMMIGRATION STATUS OR RELIGIOUS BELIEFS
EC 234.7; BP 5145.13**

The Governing Board is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status. All students have the right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law.

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of his/her immigration status. (Education Code 200, 220, 234.1)

Consistent with requirements of the California Office of the Attorney General, FCUSD has developed procedures for addressing any requests by a law enforcement officer for access to district records, school sites, or students for the purpose of immigration enforcement.

As required by law, the Folsom Cordova Unified School District shall provide to students, effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs, as defined in Ed Code 306. This requirement is intended to ensure that all students, including English learners and native speakers of English, have access to the core academic content standards, including the English language development standards, as applicable, and become proficient in the English language. FCUSD provides English learners with a structured English immersion program.

**PRIVACY RIGHTS REGARDING STUDENT RECORDS
EC 49063, 49069; AR 5125, 5125.3**

Federal and state laws grant certain privacy rights and rights or access to pupil records to students and to their parents or guardians. Full access to all personally identifiable written records maintained by the school district or county office must be granted to:

- Parents or guardians of students age 17 or younger.
- Parents or guardians of students age 18 or older if the student is a dependent for tax purposes.
- Students age 16 or older or have completed 10th grade.

Parents/guardians may review individual records by making a request to the principal. At each school, the principal or designee shall act as custodian of records. The principal will see that explanations and interpretations are provided if requested. A parent or guardian has the right to question and receive an answer regarding items on their child's record that appears inaccurate, misleading or that invades his/her child's privacy. Information, which is alleged to be inaccurate, inappropriate or misleading, may or may not be removed by the Superintendent or his/her designee. A log or record of the maintenance of each pupil record of enrolled students shall be kept in the school office.

In addition, parents or guardians of eligible students may receive a copy of any information in the pupil's records at a reasonable cost per page. School district policies and procedures relating to types of records, kinds of information retained, persons responsible for maintaining pupil records, directory information, access by other persons review and to challenge the content of records is available through the principal or his/her designee. Parents may contact the school to review the log listing of those that have requested or received information from a pupil's file.

Access to a pupil's records will only be granted to those with a legitimate educational interest who are officials or employees whose duties and responsibilities to the district, whether routine or as a result of special circumstance, require that they have access to pupil records. School officials may be authorized to

inspect student records if a legitimate educational interest exists. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibilities. A school official is a person employed by the district as an administrator, supervisor, instructor, support staff member (including health or medical staff and law enforcement unit personnel), a person serving on the Governing Board, a person or company with whom the district has contracted to perform a special task (such as attorney, auditor, consultant or therapist), a parent or student serving on an official committee (such as a disciplinary or grievance committee), assisting another school official in performing his or her tasks. (FERPA, 34 Code of Federal Regulations (C.F.R.) Part 99.7(a) (3)(iii) and 99.31(a)(1) and Ed. Code § 49063 (d), 49064 and 49076)

Parents or an eligible student may challenge, review or receive a copy at a reasonable cost per page, of the requested records. Parents or guardians may contact the school district or county office for any policy regarding the review and expunging of pupil records.

If you believe the school district is not in compliance with federal regulations regarding privacy, you may file a complaint with the United States Department of Education at the following address: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202- 5920.

TRANSCRIPT IMMUNIZATION OPT OUT FOR GRADES 9 – 12

It is the practice of the Folsom Cordova Unified School District (FCUSD) to include a student's immunization records on the official student transcript, as most colleges require proof of immunization for registration.

Parents and guardians may request that FCUSD NOT include a student's immunization record on their transcript by completing an opt-out form and returning it to the student's Counseling Office at their school. Forms can be requested from your school's Counseling Office.

NONCUSTODIAL PARENTS

School officials shall presume that both parents/guardians have equal rights regarding their child, including, but not limited to, picking the student up after school or otherwise removing the student from school, accessing student records, participating in school activities, or visiting the school. When a court order restricts access to the child or to his/her student information, a parent/guardian shall provide a copy of the certified court order to the principal or designee upon enrollment or upon a change in circumstances. In the event of an attempted violation of a court order that restricts access to a student, the principal or designee shall contact the custodial parent and local law enforcement officials and shall make the student available only after one or both of these parties' consent. Board Policy (BP) 5021

REPORTING TO PARENTS REGARDING TEACHERS AND PARAPROFESSIONALS

20 USC 6312; 34 CFR 200.48; BP 4112.2; AR 4222

Individual teachers are to communicate in writing to students and parents at the beginning of the school year the classroom grading policy, which includes homework requirements, make-up procedures, and the weighting of course work as it pertains to the calculation of the final grade. Course expectations shall be provided at this time.

Federal law allows you to ask for certain information about your child's classroom teachers and paraprofessionals, and requires the District to give you this information if you ask for it. You may ask about the type of state credential a teacher has and the grades and subjects the teacher is licensed to teach. You may also ask about the teacher's college major and any advanced degrees. If a paraprofessional is assigned to assist your child, you may ask about his/her qualifications.

INTRA/INTERDISTRICT ATTENDANCE OPTIONS

EC 35160.5, 46600; AR 5117

Students who reside within the District attendance area may apply for enrollment in any District school, providing the school of choice has space available. A student who currently attends a school and resides within that school's attendance area shall not be displaced by another student who transfers from outside of the attendance area.

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

A student who wishes to attend the schools of this district but does not reside here must secure an interdistrict agreement from the district of residence to be approved by the district superintendent or designee. The school district of residence initiates the agreement. All agreements are handled by the Office of Attendance and Due Process:

<https://www.fcusd.org/Page/22178>

Pupils residing in this school district may be allowed to attend schools in another school district. All agreement forms are provided and processed by the Office of Attendance and Due Process and approved by the district of attendance.

ABSENCES

EC 46014, 48205; BP 6154; AR 5113

Excused absences shall be for health reasons, family emergencies, and justifiable personal reasons, such as an appearance in court, observance of a holiday or ceremony of his or her religion, participation in religious exercises or instruction away from the school site, and attendance at religious retreats. For these justifiable personal reasons, the

parent/guardian must submit a request in writing to the school authorities for prior approval.

No student may have his or her grade reduced or lose academic credit for any absence or absences excused if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.
EC 48205

Students in grades K-12 shall not be absent from school without their parents'/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointments.

School administrators may excuse any student in grades 7 through 12 from school to obtain confidential medical services without the consent of the student's parent or guardian.

TARDINESS/TRUANCY **EC 48262**

California law mandates that each child 6 years of age or older, and younger than 18 years of age, attend school every day and on-time. California law further requires that any child who has been absent without valid excuse and/or a tardy in excess of 30 minutes on each of the three or more days in one school year, may be reported as a truant to the Office of Attendance and Due Process.

Any student is deemed to be a habitual truant who has been reported as a truant three or more times in a school year. No student shall be considered a habitual truant unless an appropriate school official has made a conscientious effort to hold at least one conference with the student and the student's parent or guardian. Any student considered a habitual truant, or who is irregular in school attendance, or who is habitually insubordinate or disorderly during school attendance, may be referred to a School Attendance Review Board (SARB) which will require the attendance of both the parent or guardians and the student.

The primary responsibility for school attendance is assigned to the parent or guardian. As students grow older, they too may be assigned by the SARB some responsibility for regular school attendance. If after a SARB meeting a student's truancy continues, then the parent may be referred to the District Attorney's office for prosecution for Contributing to the Delinquency of a Minor (PC272), or both the parent and the student may be referred to the Sacramento County Truancy Court.

Parents or guardians with difficulties at home that are preventing the regular and on-time school attendance of their students may contact the administration at the school where their student(s) are enrolled, or contact the FCUSD Office of Attendance and Due Process at (916) 294-9012 for social service referrals and other family support assistance.

EXCESSIVE ABSENCES

Students experiencing excessive school absences may be referred to the School Attendance Review Board (SARB) or may receive a home visit from the school resource officer and/or the Director of Behavior Intervention & Student Services. The SARB is designed to assist the student and parent in reducing school attendance problems by maximizing use of school and coordinated community resources.

STUDENTS WITH DISABILITIES

If your child is temporarily or permanently disabled, he/she has the right to be educated in facilities and receive services comparable to those provided to students without disabilities, to the maximum extent appropriate. Without discrimination, Section 504 of the Rehabilitation Act provides for qualified students to receive reasonable accommodations allowing for equal access.

AMERICANS WITH DISABILITIES NOTICE

The Folsom Cordova Unified School District welcomes those with disabilities to participate fully in the programs, services, and activities involving their child. If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in any program, service, or activity involving your child, please contact the principal of the school where your child attends at least 48 hours before the scheduled event, so that we may make every reasonable effort to accommodate you. Government Code Section 54953.2; Americans with Disabilities Act of 1990, Section 202 (42 U.S.C. Section 12132)

IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION **EC 56301, 56302; BP 6164.4**

The Governing Board recognizes the need to actively seek out and evaluate district residents from birth to age 21 who have disabilities in order to provide them with appropriate educational opportunities in accordance with state and federal law.

The Superintendent or designee shall develop processes to determine when an individual is eligible for special education services and shall establish systematic procedures for special education program identification, screening, referral, assessment, planning, implementation, review, and triennial assessment.

The Superintendent or designee shall establish a method whereby parent/guardian, teachers, appropriate professionals, and others may refer an individual for assessment for special education services. Identification procedures shall be coordinated with school site procedures for referral of students with needs that cannot be met with modifications to the general instructional program.

The Superintendent or designee shall notify parent/guardian, in writing, of their rights related to identification, referral, assessment, instructional planning, implementation, and review, including the district's procedures for initiating a referral for assessment to identify individuals who need special education services.

RACE/ETHNICITY RE-IDENTIFICATION

On October 19, 2007, the United States Department of Education (ED) published its final guidance to states on maintaining, collecting, and reporting race and ethnicity data. Changes in how race and ethnicity data are collected and maintained will affect schools and districts. While **re-identification of race/ethnicity using the final guidance is not mandatory**, educational institutions are required to provide students who enter an educational institution or program on or after the implementation deadline the opportunity to re-identify.

HOMELESS STUDENT SERVICES

McKinney-Vento Homeless Education Act was created to eliminate barriers that transition students (homeless students) were facing in terms of enrollment, attendance, and success in school.

The McKinney-Vento Homeless Education Act defines homelessness as an individual who lacks a fixed, regular, and adequate nighttime residence which includes:

- Students who share the housing of other persons due to loss of housing, economic hardship, or a similar reason
- Students who are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- Students who reside in emergency or transitional shelters
- Students who are abandoned in hospitals
- Students who are waiting for foster care placement
- Students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings; or
- Students who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
- Any homeless child will be immediately admitted to school even if the child or child's parent or guardian is unable to produce records normally required to establish residency as provided in Board Policy 6173.

If a parent or student feels that the law applies, contact the Liaison for Homeless Children and Youth, (916) 635-4301 x162

MARRIED/PREGNANT/PARENTING STUDENTS EC 222; BP 5146

The Governing Board recognizes that early marriage, pregnancy, or parenting may disrupt a student's education and increase the chances of a student dropping out of school. The Board, therefore, desires to support married, pregnant, or parenting students to continue their education, attain strong academic and parenting skills and to promote the healthy development of their children. The district shall not discriminate against any student on the basis of the student's marital status, pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery.

ANIMAL USE EC 32255-32255.6; AR 5145.8

The provision for animal use requires that the District observe a student's right to refrain from harmful or destructive use of animals, such as dissecting or experimenting on animals. The student must notify the teacher of his/her objection.

PUPIL FEES EC 49013; BP/AR 3260

No student shall be required to pay any fees, deposits, or other charges for his/her participation in an educational activity offered by a school or District that constitutes an integral fundamental part of elementary and secondary education, including but not limited to, curricular and extracurricular activities. As necessary, the Board may approve fees, deposits, and other charges which are specifically authorized by law. For such authorized fees, deposits, and other charges, the district shall consider students' and parents'/guardians' ability to pay when establishing fee schedules and granting waivers or exceptions. Parents may file a complaint of noncompliance under this section with the principal of the school alleged to be in noncompliance per the Uniform Complain Procedure.

SUBMISSION OF STUDENT GPA TO CALIFORNIA STUDENT AID COMMISSION

State law, AB 20160, requires all public schools to electronically submit Grade Point Averages (GPAs) for Grade 12 students to the California Student Aid Commission, which uses the information for Cal Grant award consideration.

Parents and guardians may request that the Folsom Cordova Unified School District **NOT** submit a student's GPA to the California Student Aid Commission by completing an opt-out form and returning it to the student's school office. Forms can be requested from your school registrar's office.

Note: Opting out does NOT exclude a student from applying for the Cal Grant, but it could delay the process.

SCHOOL ACCOUNTABILITY REPORT CARDS (SARC) EC 35256, 35258; BP 0510

California public schools annually provide information about themselves to the community allowing the public to evaluate and compare schools for student achievement, environment, resources and demographics. **School Accountability Report Cards (SARC)** represent extensive profiles of every school with information on per pupil and staffing expenditures, textbooks and instructional materials, special programs, support personnel, teacher credentialing, demographics, standardized test scores, intermediate and high school dropout rates, curriculum, staff development, facility conditions, instructional time, school discipline, and high school SAT scores.

School Accountability Report Cards are available through your school office and are posted on the District's website at www.fcusd.org.

STUDENT USE OF THE INTERNET AND ONLINE SERVICES BP 6163.4

The District provides student access to the Internet as an educational tool. Because the Internet is uncensored and can be misused, no student shall be allowed to use the District's access to the Internet unless the student and the student's parent/guardian first sign the District's *Student Technology Use Agreement*. As part of that agreement, parents will have the option of electing not to allow their students to use the Internet at school. If such election is made and an assignment is due that requires Internet use, an appropriate alternative assignment will be provided to the student with no penalty. Students who use District resources agree to abide by all District policies and guidelines for their legal use.

The District will provide reasonable supervision of students using its access to the Internet, and will attempt to do what is technologically reasonable with filtering software to prevent students from obtaining access to pornographic or harmful matter as defined by state and federal law.

Students using the District's Internet access and technology resources shall have no right of privacy in their use of those systems. Staff may monitor or examine all system activities a student takes part in to ensure proper use of the system. Students who fail to abide by District policies and guidelines may be subject to disciplinary action, revocation of their privilege to use the systems, or legal action as appropriate.

PROMOTION, ACCELERATION AND RETENTION EC 48070.5

Decisions to promote students shall be made on the basis of achievement of grade-level standards, test scores, and other indicators of academic achievement designated by the Board of Education.

Retention will be considered for students who do not meet minimum grade-level standards in reading/language arts, and

math. Principals and teachers will determine which students must be retained. Students who have special needs or whose teachers have determined that retention is not the appropriate intervention may be exempt if so determined by a team of the student's parents/guardians and educators.

In special situations, acceleration may be appropriate when the decision is in the best interest of the student. Considerations for the decision to accelerate will depend on academic grades, achievement test scores, social and emotional development, teacher's opinion, and the parent/ guardian recommendation.

STUDENT DATA FOR STATE REPORTING

This District is participating with the California Longitudinal Pupil Achievement Data System (CALPADS) Program in the electronic transfer of student data for state reporting to the California Department of Education and to Districts and/or public postsecondary institutions to which the student is transferring or applying for admission. All data maintained by the CALPADS Program is in compliance with federal and state privacy and confidentiality requirements. The data being transferred is specific to the state reports and records transfer requirements, and no additional data is reported.

The benefits of participation to the student and parent are that student records can be transferred much more promptly, and that information about student assessment and academic placement will be available at the time of transfer. Schools and Districts will benefit from the streamlining and reduction of required state reporting.

STUDENT TESTING EC 60615; AR 6162.51

Pupils in applicable grade levels will participate in the California Assessment of Student Performance and Progress (CAASPP) except as exempted by law.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments. If the parent submits the exemption request after testing begins, any test(s) completed before the request is submitted will be scored; the results will be included in the pupil's records and reported to the parent.

School district employees will not solicit or encourage any exemption request on behalf of a pupil or group of pupils.

ALTERNATIVE SCHOOLS EC 48980, 58501; AR 6181

California state law authorizes all school Districts to provide for alternative schools. EC 58501 defines alternative school as a school or separate class group within a school that is operated in a manner designed to:

- a) Maximize the opportunity for students to develop self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy, and:
- b) Recognize that the best learning takes place when the student learns because of his/her desire to learn.
- c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may be conceived by him/her totally and independently or may result in whole or in part from a presentation by his/her teachers of choices of learning projects.
- d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process.
- e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, student, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of the District, and the principal's office in each school have copies of the law available for information. MENTAL AND PHYSICAL HEALTH

STUDENT MENTAL HEALTH AND ACCESSING SERVICES EC 49428; AR 2022

In accordance with AB 2022 (September 18, 2018) and EC 49428, Folsom Cordova Unified School District is sharing this information with students and families, to notify them how to initiate mental health services in school settings and in the local area. The contacts provided here are the recommended starting points to accessing mental health services. The process to initiate and access clinical mental health treatment may vary depending on health insurance providers and availability of services. Sometimes working with multiple agencies and health insurance can be frustrating when you're trying to help a child get needed mental health supports. We encourage you to not give up, continue to advocate for your child, and be patient with mental health providers as they work to address your needs as quickly and effectively as they're able.

Folsom Cordova Unified School District is committed to promoting student wellness to help all students achieve academic, social-emotional, and behavioral success. Student mental health is supported by FCUSD through a variety of services ranging from school wellness campaigns to more intensive and individualized support programs. We also work closely with partners and community service agencies for additional service considerations to best support our students and families.

All students and their parents or caregivers can request mental health support, including assistance with social, emotional, and/or behavioral needs, at their school site. **The first step is to talk to your school counselor or site administrator about the mental health needs of your child.** They will work together along with you and your student to find the best available school-based support, depending on the needs of your child. These team members will also provide further instructions, if needed, to help get the right supports in place for your child.

If more support is needed than what is available at school, the following National and Community Resources are provided as a starting point for options and considerations.

The use of tobacco products or any products containing tobacco or nicotine are prohibited at all times on District property and in District vehicles. This prohibition applies to all parents, employees, students, visitors, and other persons.

District policy and the Education Code prohibit the possession, use, manufacture, distribution, or dispensing of tobacco and nicotine products at school or during school related activities. The District defines "tobacco and nicotine products" as a lighted or unlighted cigarette, cigar, pipe or other smoking product or material, smokeless tobacco in any form, and electronic cigarettes. "Electronic cigarettes" are defined as battery-operated or other electronic products designed to deliver nicotine, flavor, and other chemicals by turning the substance into a vapor that is inhaled by the user, including, but not limited to electronic vaping devices, personal vaporizers, digital vapor devices, electronic nicotine delivery systems and hookah pens.

Persons determined to have used or to be in possession of tobacco or nicotine products at school or school related activities may be subject to discipline under District policy and/or other applicable laws.

SUBSTANCE ABUSE EDUCATION/PREVENTION/INTERVENTION

EC 51513; AR 5022; BP 6162.8

The intent of the District policy is to establish an atmosphere that will promote understanding of the use, abuse, and misuse of drugs, alcohol, and tobacco. Curricula shall be course-specific, as well as appropriately infused into various content areas.

For the protection of students, school employees will make every effort to prohibit the flow of drugs in the school. When substance abuse incidents occur, school staff will:

1. Provide emergency medical assistance.
2. Require parental involvement.
3. Enforce the laws regarding use and distribution of illegal substances.
4. Discipline students.

Anonymous, voluntary, and confidential research and evaluation tools to measure pupils' health behaviors and risks, including tests, questionnaires, and surveys containing age-appropriate questions about the pupil's attitudes or practices may be administered to any pupil in grades 7-12 inclusive. The parent or guardian is given the opportunity to review the test, questionnaire or survey, and to request that his or her child not participate. The California Healthy Kids Survey is administered to students annually for students in grades 5, 7, 9, and 11 and all students in our alternative educational sites. PHYSICAL EXAMINATION

EC 49451; AR 5141.3

A physical examination may not be required of a child whose parent has filed an objection for that specified school year. However, the child may be sent home if, for good reason, he or she is believed to be suffering from a recognized contagious or infectious disease, until the school authorities are satisfied that any contagious or infectious disease does not exist.

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students are encouraged to schedule medical appointments during non-school hours.

ORAL HEALTH SERVICES

AR 5141.6; HSC 104855

The topical application of fluoride, including fluoride varnish, or other decay-inhibiting agent to the teeth, is available to students during the school year. Please visit the FCUSD Health Services webpage at www.fcusd.org/Health for further information.

ACCIDENT INSURANCE EC 49471 49472; BP 5143

The District does not insure students for injury sustained while at school. The District provides a voluntary student insurance application, available at school sites at the beginning of each school year. If students wish to participate in athletics (grades 7-12), they must show evidence of medical insurance, as well as having had a physical exam within the last twelve months.

NUTRITIOUS MEALS ARE SERVED EACH SCHOOL DAY EC 49520; AR 3553

Parents may apply in writing for Home Hospital Instruction. Parental consent, medical verification, and authorization for exchange of information are required, and may be obtained at the student's school site.

For students who have a disability qualifying them for Special Education services, home and hospital instruction may be considered through the IEP process. When a student is hospitalized or in a residential health facility located outside the school District, it shall be the primary responsibility of the parent to apply for instruction at the School District in which the hospital is located.

MANDATED SCREENING EC 49452

Pursuant to Education Code Section 49452, the District will provide testing for the sight and hearing of students. The District may provide for the screening of the condition known as scoliosis. A report of abnormal screening results will be sent to the parent. School nurses or trained personnel who have volunteered may use epinephrine auto-injectors to provide emergency medical aid to persons suffering or reasonably believed to be suffering from an anaphylactic reaction. Anaphylaxis is a rapid, severe allergic response triggered by insect stings, foods, medications, latex materials, and other unknown causes. It is life-threatening and requires immediate treatment. In the event that an epinephrine auto-injector is administered, Emergency Medical Services will be called to provide continuing care. All students who have had a prior allergic reaction or have a medical prescription for epinephrine must provide an auto-injector for their personal use per the District's Administering Medication and Monitoring Health Conditions, Board Policy 5141.21.

For any questions please contact your school nurse or the Folsom Cordova Unified School District Health Office at 916-294-9013.

The District is required at the beginning of each school year, or at the time of enrollment for a new student, to inform each

parent about instruction in comprehensive sexual health education and HIV/AIDS prevention education planned for the coming year. The Family Life program includes a comprehensive sexual health education and HIV/AIDS prevention education program taught by District personnel in which reproductive organs and their functions are described, illustrated, and discussed. Written and audiovisual materials are available for inspection.

A parent or guardian of a pupil may request in writing that his or her child be excused from all or part of the comprehensive sexual health education, HIV/AIDS prevention instruction, and any assessments related to that education. A pupil may not be subject to disciplinary action, academic penalty, or other sanction if the pupil's parent/guardian declines to permit pupil participation, and an alternative activity shall be made available. accomplishments may draw the attention of newspapers, television stations, or other media who visit our schools to photograph or film students and staff during various activities. In addition, the District uses photographs and video footage of students and/or their names in District-produced materials including printed publications, television productions, web sites, and official District social media platforms to promote their achievements. These photographs and videos may also include displays of student work. This usage does not include school yearbooks—if you do not want your child's photo used in a yearbook, contact your child's principal.

Unless notified in writing of an objection by a parent, legal guardian, or student of age 18, photographs and video footage of students and/or names may be used in District-produced materials including printed publications, television productions web sites, and official District social media platforms. If parents do not want photographs or videos of their student(s) to be used in these materials, they should complete a Request to Restrict Use of Photos, Videos, and/or Name of Student form available at school offices or via the District's website.

Please be aware that these requests are valid for the current school year and must be renewed at the start of the next school year. The requests will not prohibit usage in student-produced materials such as yearbooks and newspapers. DUE PROCESS AND THE RIGHT TO APPEAL **EC 35291; AR 5144.1**

District and school rules pertaining to student discipline are available to parents and guardians of district students in the school office.

No student will be suspended or expelled without due process. As an added safeguard, a student and his/her parent/guardian have the right to request an appeal regarding the discipline imposed. AR 5144.1 sets forth a complete explanation of the procedures for suspension, expulsion and appeals.

SPECIAL EDUCATION STUDENTS

The suspension and expulsion processes for Special Education students may include additional and/or different requirements to meet the provisions of the Education Code.

CONDUCT CODE VIOLATIONS AND CONSEQUENCES

DEFINITION OF STUDENT MISCONDUCT **EC 48911**

Suspension shall be imposed only when other means of correction fail to bring out proper conduct. However, a student may be disciplined, to include suspension and/or expulsion, for any of the reasons set forth in the California Education Code. At the current time, this includes the categories of behavior set forth in Education Code Sections 48900 and 48915, plus those described in 48900.2, 48900.3, 48900.4 and 48900.7. To assist students in modeling appropriate behavior, District staff has prepared this Student Conduct Code which lists various types of inappropriate behavior. It is not, however, the intent of the District that the Student Conduct Code define in detail every possible situation which may warrant disciplinary action nor to list every possible consequence. The District will proceed with disciplinary action permitted by law for misconduct even if it is not specifically listed in this Student Conduct Code.

RELATED TO SCHOOL ACTIVITY OR SCHOOL ATTENDANCE

A student will not be disciplined unless his/her conduct is related to school activity or school attendance. Conduct related to school activity or attendance may occur at any time and include, by way of illustration and not limitation:

- While on school grounds.
- While going to or coming from school.
- During the lunch period, whether on or off the campus, or while going to or coming from an off-campus lunch site.
- During, or while going to or coming from a school-sponsored activity.

TYPICAL DISCIPLINARY ACTIONS

Students of the District are required to follow and comply with school and District conduct rules. If a student chooses to break the rules, he/she will be subject to various consequences.

A list of typical disciplinary actions which may result from a student's breach of school regulations is listed below. The actual action taken by the District may vary from the list below and the level of discipline imposed will depend on the frequency and seriousness of the violation.

1. Parent Conference

A parent/teacher/principal conference may be required to discuss the student's behavior and/or to reach an agreement on the student's behavior.

2. Detention

A student may be assigned to a supervised area for a specific period of time before or after school or on a Saturday.

3. Recommended Counseling

A student may be recommended for counseling services to discuss problems. Any fees for counseling services will be the parent/guardian's responsibility.

4. Loss of Privileges

A student's participation in school activities or events including but not limited to games, dances, field trips, promotion ceremonies, graduation exercise or other senior activities maybe limited or revoked.

5. Weekend School

7. Behavior Contract

The District may enter into an agreement with the student wherein he/she agrees to comply with the conditions contained in the contract, and the school rules. The student agrees to refrain from committing the same violation and/or breaking other school regulations. This contract may be in addition to a suspension /or expulsion and/or in lieu of such actions.

8. In-School Suspension, EC 48911

- A student may be assigned to a supervised suspension classroom separated from other students at the school site for the period of the suspension.
- Suspension by principal, principal's designee, or superintendent

- Education Code 48911 (h) states: ..., a “principal’s designee” is any one or more administrators at the school site specifically designated by the principal, in writing, to assist with disciplinary procedures.
- At the middle school and high school level, the school site Assistant Principals are the “principal’s designee for disciplinary procedures.

9. At-Home Suspension, EC 48910 (a)(b), 48911

A student may be suspended from attending regular classes and prohibited from attending school, participating in school activities, and being on school grounds for a period of time.

- Suspension by Principal-Suspension by the principal or designee shall be preceded by an informal conference. At that conference, the student shall be informed of the reasons for the disciplinary action and the evidence against him/her. In addition, the student shall be given the opportunity to present his/her version and evidence in his/her defense. At the time of the suspension, the principal or designee shall make a reasonable effort to contact the student’s parent or guardian in person or by telephone. Whenever a student is suspended from school, the parent or guardian shall be notified in writing of the suspension. The notice shall contain a statement of the facts leading to the decision to suspend; date and time when the student will be allowed to return to school; and a request that the parent or guardian attend a conference with school officials, including notice that state law requires parents or guardians to respond to such request without delay. The Assistant Principal shall serve as the principal’s designee, and will assist with disciplinary procedures.
- Suspension by Teacher-A teacher may suspend any student from the class for the day of the suspension and the day following, for any act stated in EC 48900. (Secondary day is defined as an instructional period; elementary day is defined as a calendar day.) If the student has more than one teacher, the student is only precluded from attending the suspending teacher’s class. Prior to excluding a student from the classroom, the teacher must inform the student which District policy the student has violated, that the teacher intends to suspend, and that the student has the opportunity to respond to the charges. As soon as possible, the teacher shall request a parent/guardian conference, at which time the circumstances of the suspension and the data will be presented.

10. Expulsion

A student may be expelled from all schools in the District and removed from the immediate supervision and control of school personnel. The student would be prohibited from being on school grounds. The Board of Education has the authority to expel students for serious and/or repeated offenses. Typically, student expulsions are a last resort after other actions have been tried. In certain situations, however, expulsion is appropriate, or may be required by law, on the first offense.

A student on a suspended expulsion may be excluded from participation in extracurricular/co-curricular activities. The activities include, but are not limited to, field trips, athletic events, theater events, proms, student dances, student government, graduation ceremonies, band events or similar activities.

11. Administrative Transfer to Another School Site

A student may be administratively transferred to another school site by the Director of Behavior Intervention & Student Services or other administrative designee(s) and directed to successfully complete a District approved rehabilitation plan.

12. Notice to Law Enforcement Authorities, EC 48906

The District may notify the appropriate law enforcement authorities for various student violations of school rules and state law. For certain violations, the District is required by law to notify the appropriate law enforcement authorities.

If a school official releases your child from school to a peace officer for the purpose of removing him/her from school premises, the school official shall take immediate steps to notify you or a responsible relative of your child, except when a student has been taken into custody as a victim of a suspected child abuse. In those cases, the peace officer will notify the parent or guardian. EC 48906

ADDITIONAL CONSIDERATIONS

A. MORE THAN ONE CONSEQUENCE

Depending on the nature of the offense, the site administrator will determine whether the consequences should include more than one form of discipline. Typical consequences which are determined and combined by a site administrator include home suspension, in-school suspension, Saturday school, intervention group, detention, administrative transfer to another school site, community service or counseling.

B. EDUCATIONAL RECORD

In determining the appropriate level of consequence, the District may consider a student’s grades, attendance, prior discipline, and particular circumstances.

C. RELATED TO SUSPENSION

1. First Offense Suspensions, EC 48900.5

For some infractions, the student may be suspended on the first offense if it is determined that the student’s presence causes a danger to persons.

2. Gang Related

Gang-related offenses are generally of the nature where the student’s presence does pose a danger to persons or property or threatens to disrupt the instructional process. In such cases, the student may be suspended up to five days on the first offense as well as recommended for an administrative transfer

to another school site and possible recommendation for expulsion.

3. Violation of Suspension Rules

Violation of suspension rules may result in a minimum consequence of a warning and a maximum consequence of a referral to the appropriate law enforcement agency.

D. DURING SUSPENSION

1. Parental Supervision

Students on home suspension are expected to be under the supervision of a parent/guardian during school hours. (7:00 a.m. - 4:30 p.m.)

2. Stay off School Grounds

Students on home suspension must stay off any school campus unless a prior arrangement has been made with a school administrator to come to the office on official business with the student's parent/guardian.

3. No School-Sponsored Activities

Students on suspension may not attend any school-sponsored activity (whether on or off any school campus - including weekends and holidays). This includes, by way of illustration and not limitation, graduation ceremonies, field trips, athletic events, proms, dances, athletic activities, latch key and after-school recreation.

4. Make-Up Work, EC 48913

A student absent due to suspension may complete and turn in work during the period of suspension in the same manner and at the same time as other students enrolled in the class. Work not submitted in a timely manner will be received, rejected and/or graded in accordance with the teacher's standard policy regarding all other "late" work. It is the individual responsibility of any suspended student to remain informed of class assignments and due dates.

E. PAYMENT FOR DAMAGES EC 48904, 48905

If a student's misconduct results in damage or injury to school property, or the personal property of any District employee, the student's parent/guardian is liable for all damages caused by the student.

If the student's parent/guardian is unable to pay for the damages, the District will provide a program of voluntary work for the minor in lieu of payment of monetary damages.

The parent/guardian is responsible for the amount of any reward not exceeding ten thousand dollars (\$10,000) paid for information leading to the apprehension of the person causing the damage. The District may withhold the grades, diplomas, or transcripts of the student until such damages are paid or the property returned, or until completion of a voluntary work program in lieu of payment of money.

F. CONFISCATED PROPERTY

Any confiscated material (e.g., radios, and skateboards) may be returned to the parents and not the student. The District is not responsible for loss of or damage to confiscated materials.

Illegal and dangerous objects including but not limited to, guns, knives, controlled substances, drug paraphernalia, and other dangerous objects will be turned over to the appropriate law enforcement authorities.

G. ELECTRONIC SIGNALING DEVICES BP 5131

Students may possess or use personal electronic signaling devices including, but not limited to, pagers, beepers, and cellular/digital phones. Any use of an electronic device that exploits personal information, disrupts the educational process, invades personal privacy, creates a safety risk, or compromises the integrity of educational programs is strictly prohibited.

Permitted devices shall:

1. Be turned off and placed out of sight during the instructional time of the school day (class time, passing periods, and recess) and at any other time when directed by a District employee.
2. Not disrupt the educational program or school activity.

If the device is used at an inappropriate time, it may be confiscated. If a school employee finds it necessary to confiscate a device, he/she will give the device to school administration so that the parent can be notified. A parent/guardian will be required to pick up the device from the school. A student who violates this policy may be restricted from possessing a personal electronic signaling device at school or school-related events.

The school takes no responsibility for the loss or damage of such devices.

Due to the unique nature of Prospect Community Day School, students enrolled in this program will continue to be prohibited from possessing or using an electronic signaling device except with prior consent for health reasons.
